This Amendment revises the ITQ originally released by SSC on February 17, 2016. Except as expressly amended by this document, all the terms and conditions of the ITQ remain unchanged.

This amendment is raised to answer the following question.

Q1:

In Annex A – Corporate Experience Qualification Requirements it states the following for Mandatory Experience.

The Respondent must provide contact information for a single customer organization to which the Respondent has provided cellular service for at least 20,000 subscribers (i.e., 20,000 distinct users) during a period of at least 24 consecutive years during the last 10 years before the ITQ closing date.

Can you please confirm if the Crown meant to say that the Respondent has provided cellular service for at least 20,000 subscribers during a period of at least 24 consecutive months instead of 24 consecutive years during the last 10 years.
