This Amendment is raised to extend the closing date, answer offeror questions, and amend Annexes "A" and "C".

I. Extend the closing date:

At page 1 of the Request for a Standing Offer:

DELETE: Solicitation closes:

At: 02:00 PM Time Zone
On: 2016-03-14 Eastern Daylight Saving Time EDT

INSERT: Solicitation closes:

At: 02:00 PM Time Zone
On: 2016-03-21 Eastern Daylight Saving Time EDT

II. Answer offeror questions:

Question:

Can an OEM answer this solicitation only, instead of having distributors answering the solicitation?

Answer:

In order for a manufacturer to be added to our standing offers they have be offered by a minimum of 3 bidders on E60HP-16TOOL/A and a minimum of 2 bidders on the set aside RFSO for Aboriginal bidders (E600HP-16TOOL/B). Please also refer to Part 4, paragraph 4.2 for the basis of selection.

Question:

Is it ok for an offeror to submit a proposal for only one manufacturer?

Answer:

Yes. Please refer to the RFSO, Part 3, sections I and II. Please also refer to Part 4, paragraph 4.2.

Question:

Annex "C" states "(Manufacturers Company Name) has agreed to utilized "MSRP" as a pricing base point as indicated on the supplied common MSRP price list and guarantees that all Offerors will provide identical common MSRP for their product lines." We are more than happy to provide the common MSRP but we cannot guarantee that an Offeror will not edit it after the fact.

Answer:

REVISION 1
ANNEX "A" – FIRM PERCENTAGE DISCOUNT

Offerors must provide their percentage discounts by completing this Annex and insert a percentage discount for the Manufacturers that they want to represent. Offerors do not have to offer a Firm Percentage Discount for all the Manufacturers identified in this Annex.

It is the responsibility of all Offerors to ensure that they provide the manufacturer's suggested retail price (MSRP) list effective at date of bid closing. CD copies of the MSRP will be accepted.

All Offerors must base their percentage discounts off of the same identical manufacturer's suggested retail price (MSRP) list as provided directly by the manufacturers listed in the attached documents and effective at date of bid closing.

Percentage discounts provided by each Standing Offer holder will remain fixed for the duration of the Standing Offer. Updates to the manufacturer's suggested retail price (MSRP) list will only be accepted once during the Standing Offer period (October 01) and twice for the option period (April 30 and October 01), if exercised, and must be approved by the Standing Offer Authority prior to implementation.

Standing Offer holders using updated price lists not approved by the Standing Offer authority, will have Canada set-aside their Standing Offer.

Any Offeror who fails to provide the manufacturer's suggested retail price (MSRP) list effective at date of bid closing, will be deemed non-compliant, removed from the process and will not be considered any further for that specific manufacturer.
