AMENDMENT 002

1. GENERAL CLARIFICATIONS:

1. This amendment 002 is raised to replace the following Annexes to the terms and conditions of the RFSO number W8486-162746/B:
 - 1.1.1. Annex A - Requirement –Parts Item List;
 - 1.1.2. Annex E – Initial Forecasted Call-up; and
 - 1.1.3. Annex A (Excel Microsoft worksheets electronically attached TMA002.zip.
- 1.2. Extend the solicitation closing date.

2. QUESTIONS AND ANSWERS

Question 1: Industry is requesting a solicitation extension. Would Canada accept extending this solicitation?

Answer 1: Canada agrees to extend the solicitation from March 16th 2016 to April 15th 2016.

Question 2: Industry has requested a response to the following inquiry:

Amendment 001, which was raised to add Annex A - Requirement - Parts Item List to the terms and conditions of the aforementioned NISO contains 379 parts. However, the electronic attachment labelled as TMA.zip which contained the workable Microsoft Excel Workbook, contained 522 items.

Industry would like to confirm which Parts Item List shall prevail with respect to the above-referenced NISO.

Answer 2: Annex A – Requirement – Parts Item List which was added to amendment 001 is incomplete as per Industry's concern. Canada has replaced Annex A – Requirement in this amendment 002 which will contain the same number of line items as the new revised TMA002.zip file for a total of 511.

Question 3: Industry would like to quote in Euros but all lines items are in dollars and the excel worksheets are locked.

Answer 3: Canada cannot unlock the worksheets or provide the password. Canada will accept offers in EUROS or CAD as per the RFSO. The Offeror must make it clear in their offer that the prices are in Euros or CAD.
