AMENDMENT 001

1. GENERAL CLARIFICATIONS:

1.1. This amendment 001 is raised to add the revised Annex A - Requirement –Parts Item List to the terms and conditions of the RFSO number W8486-152644/A.

Canada has replaced Annex A – Requirement in this amendment 001 which will now contain the same number of line items as the Microsoft Excel work sheets identified as electronic attachment [annex f w8486-152644.xlsx](#) for a total of 3,107 line items.

1.2. Extend the solicitation closing date.

2. QUESTIONS AND ANSWERS

Question 1: Industry is requesting a solicitation extension as there are over 3,000 line items.

Answer 1: Canada agrees to extend the solicitation from March 30th 2016 to April 29th 2016.

Question 2: Industry would like to know if they must make an offer on every single line item in order to remain compliant?

Answer 2: As specified in the RFSO at section **4.1.3.1 Firm Unit Prices and Volume Discount Rates (article 1)**, Canada confirms that the Offeror must provide a price for all Line Items and listed individual components, therefore if one or more line items have no offer than the Offer will be deemed non-compliant.

3. REPLACE ANNEX A:

1. Delete Annex A – Requirement – Parts Item List
2. Add Annex A – Requirement - Parts Item List (attached)
