## AMENDMENT 002

**This solicitation is amended to add the following:**

### **6.4 Contract Financial Security**

1. The Contractor must provide one of the following contract financial securities within 15 calendar days after the date of contract award:
  - a. a performance bond form PWGSC-TPSGC 505 in the amount of 10 percent of the Contract Price; or
  - b. a performance bond form PWGSC-TPSGC 505 and a labour and material payment bond form PWGSC-TPSGC 506, each in the amount of 10 percent of the Contract Price; or
  - c. a labour and material payment bond form PWGSC-TPSGC 506 in the amount of 10 percent of the Contract Price; or
  - d. a security deposit as defined in clause E0008C in the amount of 10 percent of the Contract Price.

Any bond must be accepted as security by one of the bonding companies listed in Treasury Board Contracting Policy, Appendix L, Acceptable Bonding Companies.

2. Security deposits in the form of government guaranteed bonds with coupons attached will be accepted only if all coupons that are unmatured, at the time the security deposit is provided, are attached to the bonds. The Contractor must provide written instructions concerning the action to be taken with respect to coupons that will mature while the bonds are pledged as security, when such coupons are in excess of the security deposit requirement.
3. If Canada does not receive the required financial security within the specified period, Canada may terminate the Contract for default pursuant to the Contract default provision.

All other terms and conditions remain unchanged.
