

NOTICE OF PROPOSED PROCUREMENT

The Department of National Defence has a requirement for professional services of a Senior Technician to support the operation and maintenance of the North Warning System radar sites. The Senior Technician will be required to provide services to the North Warning System Facilities Manager/ Technical Authority and the Environmental/Risk Management Officer regarding water and sewage systems, petroleum, oil and lubricant storage and distribution.

There are security requirements associated with this requirement. For additional information, consult Part 6 - Security, Financial and Other Requirements, and Part 7 - Resulting Contract Clauses. For more information on personnel and organization security screening or security clauses, bidders should refer to the [Industrial Security Program \(ISP\)](http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html>) website”.

For services requirements, Bidders must provide the required information as detailed in article 2.3 of Part 2 of the bid solicitation, in order to comply with Treasury Board policies and directives on contracts awarded to former public servants.

The Crown retains the rights to negotiate with suppliers on any procurement.

Documents may be submitted in either official language of Canada.
