Amendment #001

Amendment #001 of Solicitation 201605464 has been issued to **provide Addendum No.001, provide Questions and Answers Part1, and respond to Requests for Equivalent** as follows:

1. Questions & Answers Part1:

- Q1. Do the units have to be wood framed or would you entertain newer building projects such as steel insulated panel construction?
A1. *Steel insulated panel construction will not be entertained.*
- Q2. Is this tender for the detachment and 2 housing units as shown on the site plan? Or is there more than 2 units?
A2. *Refer to Addendum No.001, section A-1-22.1*
- Q3. Specifications Section 13-42-00, Page 1 of 5 1.4.1 states "The General Contractor and modular builder (Subcontractor) shall enter into a short term lease agreement with the Owner."
It is standard practice that the Subcontractor would enter into a Subcontractor agreement with the General Contractor, but a lease agreement between all three parties? Is any further information on what is required available, I've been unable to find any clarification? Is this a lease for the manufacturing plant?
A3. *Refer to Addendum No.001, section A-1-22.2*
- Q4. In regards to the fuel and gas storage tanks has responded with a list of question from the Mechanical Specs. Is it possible to ask the client the following:
-What fuel type are they using
-Is it new or used oil
-What are they fueling
-Do they require leak detection or fuel gauging
-What hose length is required
A4. *Refer to Addendum No.001, section M-1-10*
- Q5. Specifications Section 08-80-50, Page 3 of 6 2.3.1.1 indicates "layer of 0.762 mm polyvinyl butral (PVB)...."
Should it read "layer of 0.0762 mm polyvinyl butral (PVB)...."? Question is being directed from a manufacturer.
A5. *Refer to Addendum No.001, section A-1-22.3*

2. Requests for Equivalent Approved to-date:

Refer to Addendum No.001

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
