PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.
- (c) The evaluation team will determine first if there are two or more offers with a valid Canadian Content certification. In that event, the evaluation process will be limited to the offers with the certification; otherwise, all offers will be evaluated. If some of the offers with a valid certification are declared non-responsive, or are withdrawn, and less than two responsive offers with a valid certification remain, the evaluation will continue among those offers with a valid certification. If all offers with a valid certification are subsequently declared non-responsive, or are withdrawn, then all the other offers received will be evaluated.

4.1.1 Financial Evaluation

4.1.1.1 Mandatory Financial Criteria

The Offeror must complete and submit with its offer, Annex B - Basis of Payment, in Canadian funds. Pricing must be provided for all line items as listed and a % amount for B. Special Orders.

Offers meeting the requirements of the Mandatory Financial Evaluation will be assessed to arrive at an Aggregate Value based on the estimated usage provided herein at Annex "B" and "FOB Destination", as indicated.

The estimated usage provided herein is for the sole purpose of establishing an evaluation tool, based only on best estimate and in no way reflect the actual usage's expected or any commitment on the part of the Crown.

Offers will be evaluated based on the prices detailed in Annex B - Basis of Payment.

Definition of Extended Price: The line item prices are multiplied by the estimate usage to arrive at an extended price.

Definition of Aggregate Value: The Aggregate Value is the sum of all the extended prices.

Definition of Lowest Aggregate Total: The Lowest Aggregate Total is the sum of the lowest of all of the Offerors' extended prices for each item.

Definition of Premium: The difference between the Offerors' Aggregate Value and the Lowest Aggregate Total divided by the Lowest Aggregate Total.

4.1.1.2 SACC Manual Clause

SACC Manual Clause A0220T (2014-06-26), Evaluation of Price

4.1.1.3 Mandatory Items

If the Offeror is not able to provide a requested item, it is up to the offeror to contact the Contracting Authority no later than seven (7) calendar days prior to the closing date and inform the Contracting Authority of the item(s) that cannot be offered.

The item(s) will be reviewed and determined if it/they can be purchased by other means and removed from the list.

Any changes to the list will be made by the Contracting Authority through an amendment to the Request for Standing Offer document.

4.2 Basis of Selection

4.2.1 For each Standing Offer Period, should the premium be less than 5%, it is the intention of Canada to issue:

One Standing Offer to the compliant Offeror with the lowest aggregate value.

If the premium is equal to or greater than 5%, Canada will select two Offerors for issuance of the Standing Offer for the items in the pricing basis that have the combined lowest premium. Should two Standing Offers be issued, each Offeror will only issued a Standing Offer for the items which they had the lowest unit price among the Offerors issued Standing Offers.

4.2.2 The compliant Offeror(s) selected for issuance will be given written notification to provide the information required in 5-2 entitled "Certifications Precedent to Issuance of the Standing Offer" by a specified date and time, unless the information has already been provided in the RFSO submission. Should the Offeror(s) fail to provide all the information required by the date and time specified, the bid will be considered non-compliant and given no further consideration. The compliant Offeror with the next lowest Aggregate Value will be notified. This process will be repeated until the Certifications Precedent to Issuance of Standing Offer have been met.

4.2.3 Upon Compliance with 5 entitled "Certifications Precedent to Issuance of the Standing Offer", the Standing Offer(s) will be issued to the compliant Offeror(s) selected for issuance of a Standing Offer.
