Solicitation Amendment No 001 is issued for the purpose of providing answers to questions submitted to the Contracting Authority.

Question 1:

Would it be possible to review the insurance requirements for this work? \$10 Mil Ship Repairers' Liability appears excessive for this work.

Answer 1:

Annex C Insurance Requirements is deleted and is replaced with:

Annex C Insurance Requirements

C1 Ship Repairers' Liability Insurance

1. Ship Repairers' Liability Insurance or Commercial General Liability Insurance shall be effected by the Contractor and maintained in force in an amount usual for a contract of this nature, but, in any case, for not less than \$5,000,000 per accident or occurrence.
2. Should the Contractor decide to obtain and maintain Commercial General Liability insurance, the policy shall be endorsed as follows:

"Notwithstanding anything to the contrary mentioned in the policy, it is agreed that:

- a. Watercraft exclusion is deleted;
 - b. Broad Form Property Damage coverage is included; and,
 - c. Broad Form Completed Operations coverage is also included."
3. The policy must include the following endorsements:
 - a. Notice of Cancellation: The Insurer agrees to provide the Contracting Authority thirty (30) days written notice of cancellation.
 - b. Contractual Liability: The policy shall, on a blanket basis or by specific reference to this contract, extend to assumed liabilities with respect to contractual insurance provisions

Question 2:

We are not an ISO registered contractor. Does this prevent us from submitting a bid?

Answer 2:

All submissions received will be evaluated. It is not mandatory for firms to be registered, but they must have a Quality management system modeled on ISO 9001:2008. During the bid evaluation period, an example of the Quality Control Plan as applied on previous projects of the same nature and complexity may be requested.
