Amendment 4

This amendment is issued to answer a question.

- Q23.** At the optional site visit, the Engineer indicated that they were going to talk to the Saskatchewan Ministry of Highways regarding the current condition of the haul road and the potential damage that may occur, specifically going up the steep switch back road. If legal loads are being used and the road falls apart, will the contractor be liable to repair the damaged road?
- A23.** Saskatchewan Ministry of Highways has been informed. The contractor will not be liable for damages if legal limits are used.

All other terms and conditions remain unchanged.
