## **1 SECTION 1 GENERAL INFORMATION**

### **1.1 Overview of Section 1**

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

### **1.2 Introduction and Scope**

The Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a nine (9) month contract with a vendor(s) (hereafter referred to as the “proponent(s)”) for the purpose of acting as prime consultant for the programming and planning phase of a new initiative that will ultimately redesign the office space at CMHC’s National Office campus in Ottawa and its regional offices across the country.

Canada Mortgage and Housing Corporation shall not be obligated in any manner to any proponent whatsoever until a written Agreement has been duly executed relating to a qualified, approved proposal.

More detailed specifications can be found in Section 3, “Statement of Work”.

### **1.3 CMHC Background**

CMHC is the Government of Canada’s National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Families, Children and Social Development, and Minister responsible for Canada Mortgage and Housing Corporation, the Honourable Jean-Yves Duclos.

CMHC has more than 2,000 people located at its National Office in Ottawa, and at various Business Centres throughout Canada. The Business Centre areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

CMHC has approximately 1,000,000 sq.ft of leased/owned space spread across its regional and national office locations.

### **1.4 Purpose of Request for Proposal**

CMHC uses a Request for Proposal (RFP) to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. In an RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing “Best Value” to CMHC in terms of price.

### 1.4.1 Potential Service Providers

CMHC's contracting and procurement activities are decentralized among CMHC's National Office in Ottawa and various Business Centres throughout Canada.

The policy pertaining to the selection of suppliers is based on the principle that all suppliers must be treated fairly and equally. Suppliers are defined as an individual or firm that could provide, or has provided, goods or services or construction under contract.

CMHC utilizes the Supplier Information (SI) database, maintained by **Business Access Canada** as the Official CMHC source list. All proponents **must** be registered with **Business Access Canada** prior to submitting a proposal. The Procurement Business Number (PBN) provided by **Business Access Canada** must be included with your proposal. If you are not registered, and you wish to do so, you may access **Business Access Canada** (<https://buyandsell.gc.ca/>) or you may call their Information Line at: 1-800-811-1148. Present Suppliers not registered with Business Access Canada are required to self-register on the SI via the Business Access Canada Web site.

### 1.5 Schedule of Events

The following schedule summarizes significant target events for the RFP process. The dates may be changed by CMHC at its sole discretion and shall not become conditions of any contract which may be entered into by CMHC and the selected proponent.

<b>Date</b>	<b>Activities</b>
March 29, 2016	Request for Proposal issued
April 18, 2016	Submission Deadline
May 1, 2016	Evaluation and Selection of lead proponent
May 8, 2016	Finalize contract with lead proponent
May 2016	Contract award
May 2016	Announcement of successful proponent
May 2016	Debriefing to unsuccessful proponents as requested

### 1.6 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation. Mandatory is defined as having substantial compliance as assessed by CMHC in its sole and absolute discretion.

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Contract, and
- Appendix A The Certificate of Submission.

**Caution:** Proposals which fail, in the sole discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. However, CMHC reserves the right to waive any mandatory requirements if it deems fit and appropriate to meet the interests of and provide best value to CMHC. This clause should be interpreted solely for the benefit of CMHC and not for the benefit of the Proponents.

### **1.7 Procurement Policy Re: The Environment**

CMHC fully supports the principle of sustainable development. Economic development and the preservation of the environment are given equal consideration to ensure that the actions of one generation do not compromise the ability of future generations to have an equal quality of life.

### **1.8 Proponent Feedback**

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs, whether as a compliment or suggestion for future RFPs.

Proponents may submit comments labelled as *Proponent Feedback RFP 201600837* to the name and address provided in Section 2.4.

As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after the contract award has been announced.

Any proponent who notes a material flaw in the RFP that could affect the outcome should report it as specified in Section 2.4

### **1.9 Income Tax Reporting Requirement**

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent(s) will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

## **2 SECTION 2 SUBMISSION INSTRUCTIONS**

### **2.1 Overview of Section 2**

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

Proponents are advised that CMHC has provided as Appendix C a Mandatory Compliance Checklist for your benefit to complete prior to submission. This is to assist you in ensuring that you comply with all Mandatory criteria as non-compliance will result in disqualification.

## **2.2 Certificate of Submission**

## **2.3 Delivery Instructions and Deadline**

Timely and correct delivery of proposals to the exact specified proposal delivery address is the sole responsibility of the proponent. All risks and consequences of incorrect delivery of proposals are the responsibility of the proponent. CMHC will not assume or have transferred to it those responsibilities. All registered times will be in accordance with the time CMHC computer servers **receive** the submission, not the time the proposal was sent by the proponent.\*

Upon receipt of proposals, an automated confirmation will be issued to the sender's e-mail address. It is strongly recommended that proponents follow up with the inquiries person named in Section 2.4 should they not receive said confirmation within 30 minutes of submission.

**\* Please be advised that electronic transmissions may not necessarily be immediate and can experience lengthy delivery delays. Proponents should ensure that sufficient delivery time is allowed for proposals to be received.**

### **Address for Delivery**

All EBID proposals received on or before the closing date and time specified in this RFP, will be opened for evaluation purposes and verified by CMHC. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve proponents from forming their own opinions and conclusions in respect of the matters addressed in this RFP.

## **2.12 Verification of Proponent's Response**

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's response.

## **2.13 Ownership of Responses**

All responses and related materials become the property of CMHC and will not be returned. CMHC will not reimburse the proponent for any work related to, or materials supplied in the preparation of the RFP response.

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal, which, in their opinion, are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**" at **each item** or at the **top of each page**. - (b) The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest, including a conflict between the Contractor's duties to that third party and the Contractor's duties to CMHC.
- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.

The proponent must submit a fixed (firm) price.

Should travel be required in the delivery of services under this Request For Proposal (RFP) vendors will be reimbursed for actual costs in accordance with the CMHC travel policy.

## **SECTION 5 EVALUATION AND SELECTION**

### **5.1 Overview of Section 5**

Section 5 describes the process CMHC will use to evaluate proposals, select a lead proponent and finalize and sign a contract.

**The lowest cost or any proposal will not necessarily be accepted and CMHC reserves the right to accept or reject any or all proposals in whole or in part.**

CMHC reserves the right to alter the stated requirements as needs require and to accept an alternate proposal included in any proponent's response.

CMHC shall conduct the RFP process in a visibly fair manner and will treat all proponents equitably. To this end, it has established objective RFP standards and evaluation criteria which will be applied uniformly to all proponents. Therefore, no proponent shall have any cause of action against CMHC arising out of a failure to award a contract, the failure to evaluate any proposal, or the methods by which proposals are assessed.

### **5.2 Limitation of Damages**

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by submitting a proposal, waives any claim for loss of profits if no agreement is made with the proponent.

### **5.3 Evaluation Table**

The Evaluation Table as provided in Appendix "B" lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

### **5.4 Evaluation Methodology**

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B". Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon a final score for each proposal.

A proposal must meet the minimum upset score in each category (as shown on the Evaluation Table) to remain in the evaluation.

Each compliant proposal that meets the minimum upset scores in each category and obtains the highest overall score will be named the lead proponent with whom CMHC will endeavor to contract with.

### **5.5 Financial Evaluation**

CMHC will carry out a credit check and/or a financial capacity on the lead proponent before beginning contract discussions. This is a pass/fail test. Pass means that contract discussions begin. Fail means that the lead proponent may not enter into contract discussions and is disqualified from further consideration. The financial evaluation will be based on the information supplied by the proponent as per Section 4.9 of this RFP.

### **5.6 Proponent Selection**

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent's proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC's requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

## **6 SECTION 6 PROPOSED CONTRACT**

### **6.1 Overview of Section 6**

Attached in Section 6.3 is a proposed contract. The terms and conditions in this draft contract may be incorporated into any contract resulting from this RFP. CMHC reserves the right to add terms and conditions during negotiations. These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

The proponent's proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC form part of the final contract and the proponent must accept that the final contract form will be in a format acceptable to CMHC.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent's proposal (including a declaration in the attached draft contract of any potential conflicts of interest), agrees to be bound by the terms and conditions in the draft contract in Section 6.3 in the event that the proponent is selected by CMHC to enter into a contract agreement.

For the purposes of this section the term "Contractor" refers to the successful proponent with whom CMHC enters into a contract agreement.

### **6.2 Mandatory Contract Terms and Conditions**

4. The Contractor commits fraud or gross misconduct; or

5. The Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or any assignment is made for the benefit of the creditors, or if an order is made or a resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of any Statute for the time in force relating to bankrupt or insolvent debtors.

In the event of a termination notice being given under the provisions of this section, and subject to the deduction of any claim which CMHC may have against the Contractor arising out of the contract or out of termination, payment will be made within thirty (30) days of the date of the invoice from CMHC to the Contractor for the value of all finished work delivered and accepted by CMHC, such value to be determined in accordance with the rate (s) specified in the contract.

#### **4.7 Non-Compliance or Default by Contractor**

If the Contractor fails to comply with a direction or decision of CMHC properly given under the terms of the agreement, or is in default in any other manner under the Contract, CMHC may do such things and incur such costs as it deems necessary to correct the Contractor's default, including without limitation the withholding of payment due or accrued due to the Contractor for services rendered pursuant to this Contract, which moneys may be set off by the Corporation against any expenses that it may incur in remedying a default or failures as described above.

#### **4.8 Force Majeure**

In the event that the Contractor is prevented from fulfilling its obligations under the terms of this agreement by a force majeure or act of God (an event or effect that cannot be reasonably anticipated or controlled), the Contractor shall notify CMHC in writing, within the shortest period of time. The Contractor agrees to so advise its employees, officers, and agents. The Contractor also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, do all things possible to prevent access to CMHC Information including but not limited to taking appropriate legal action against disclosure, providing information and other assistance in order for CMHC to take appropriate
