--	-----------------

B) Questions and Answer

Q1: In ANNEX "B" BASIS OF PAYMENT, under 1.0 Delivery 1: Deep Sea Mooring Ropes and Misc items, for item 2., the quantity is required as "2 pieces". And this implies that you require:
- 2 piece of 5000 feet in one box);
- 2 piece of 1562 feet in one box);

I want to ask for clarification and if I have understood it correctly, you only need one piece of the above lengths, so the quantity should be written "1 pieces", since all the description and required lengths and quantities are already described in the line item Description.

A1: See A) above for response.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
