The purpose of this amendment is to clarify:

Q1. Is the contractors responsible for all construction surveys for pond and drainage layout?

A1. Owner's Engineer will be providing survey layout (one set of lines and grades). Replacements, if needed will be at the cost of the contractor.

Q2. Will the Owner provide existing survey control measurements for construction layout?

A2. Control monuments can be shared with the contractor if requested, after award.

Q3. Will the Owner provide AutoCad format or Civil 3D format digital drawings for contractors use in field surveys?

A3. Digital files can be shared with the contractor upon request, after award.
