AMENDMENT #003

The intent of this amendment is answer questions from potential bidders and revise some areas of the solicitation document.

Q1. In this RFSO it is indicated in 4.1.1.1 a) that unit prices must be provided for all item numbers in Pricing Basis "A". Are we able to bid on only the items that we are able to distribute?

A1. It is the clients' preference is to have all the items on one standing offer therefore, the evaluation criteria of providing prices for all items will stand.

Q2. These are the items we do not have a supplier for:

Q2.1 Region 2 items:

Line 58 - 1/8 Birch Ply G2S no real substitute

Line 168 R22 -16 Fiberglass for Steel Stud - Can use quoted product from Line176 as substitute

Line 169 R22- 24 Fiberglass for Steel Stud - Can use quoted product from line 177 as substitute

Line 178 2x2 Fire Rated Ceil Tile -Only 2X4 Available (Line179) -Can perhaps cut in half for 2x2 size?

A2.1 Lines 58, 143, 168, 169 and 178 have been deleted. The applicable spreadsheets have been updated.

Q2.2 Region 3 Item

Line 55 - 1/8 Birch Ply G2S - No real substitute

A2.2 Line 55 has been deleted and the applicable spreadsheets updated.

Q3. Region 3 - RFSO -_Section F (Steel Stud) - What gauge steel is needed? There is no Top and Bottom track listed (you cannot use stud as track). Track is only avail in 10' lengths.

A3. 25 ga is requested. Due to low estimated usage, items 116 and 117 have been deleted and the applicable spreadsheets updated.

Q4. Region 2 - RFSO

Section F (Steel Stud) - The thinnest non-structural Steel for Stud and Track is 25ga. (28ga is not available) The track is only available 10' lengths.

A4. 25ga stud and track in 10' lengths are acceptable. The applicable spreadsheets have been updated.

Q5. Part 3.1 Section II: Certifications_What certifications are being asked for or required?

A5. Please refer to Part 5 – Certification and Additional Information:

5.1.1 Please read section 01 of standard Instructions found here: <https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/1/2003/21#integrity-provisions>

If your firm doesn't agree with the information then the Declaration of Convicted Offences form needs to be filled out and included in your offer.

5.2.1 Bidders are to provide a list of their firms' board of directors. The list can be provided by the successful bidder(s) prior to standing offer release or included at the time of offer submission.

5.2.2 By submitting an offer, it is the certification that your firm is not on the FCP limited eligibility bid list

Q6. Part 6.3.2 Standing Offers Reporting Annex "C" is has nothing detailed in it. Does that mean that no quarterly reports would be needed?

A6. Yes, the reports are needed. The purpose of the report is to see what items are being purchased. This helps us when we renew the requirement to make sure we include high usage items and have accurate estimated usages. It is also helpful to ensure the users are managing the standing offer properly.

Q7. Part 6.5 Invoicing Instructions "Invoices cannot be submitted until all work identified in the invoice is completed" Since we are a supplier would this mean all items on a specific order are delivered and there are no back orders for that order?

A7. It is fine to have back orders but you can't invoice for the backorders if they haven't been delivered.

Q8. Do items in the "Pricing Basis B & C" all need to be priced for the quote to qualify?

A8. Yes, that is a mandatory financial criteria. If you see items that you feel are not obtainable, please bring that to my attention well before bid closing.
