For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#) R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

2.4 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than **FIVE (5)** calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.5 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in **NOVA SCOTIA**.

PART 5 – CERTIFICATIONS

The certifications provided by Offerors to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Standing Offer Authority will render the offer non-responsive, result in the setting aside of the Standing Offer or constitute a default under the Contract.

5.1 Certifications Required with the Offer

Offerors must submit the following duly completed certifications as part of their offer.

5.1.1 Integrity Provisions - Declaration of Convicted Offences

In accordance with the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Offeror must provide with its offer the required documentation, as applicable, to be given further consideration in the procurement process.

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.

SRCL: W0102-16J439

The attached Security Requirements Check List (SRCL) and security clauses are approved by CISC for use and incorporation into your pre-contractual/contractual documents. Please ensure that both are included in the resulting contract.

Should you wish to ensure that bidders direct all enquiries to you, page 4 of the SRCL which contains the authorization signatures may be removed from the bidding document. Should the lower portion of page 4 contain additional instructions, the signatures may be blanked out.

The complete SRCL (including page 4) shall be used in the contract document.

CISC is obliged under various international security agreements, arrangements and protocols to insert special security clauses into contracts for award outside of Canada. The appropriate clauses vary from country to country, and therefore must be provided by CISC on a case-by-case basis.

Should foreign suppliers be bidding on this procurement please contact me for an international security clause.

A "Security Requirement clause" is attached. Should the client department raise any objections to the wording of the clause, kindly contact the undersigned **PRIOR TO** finalizing the contractual documentation. **No changes** to the clause wording are permitted without prior consultation with CISC/PWGSC. A copy of this memo and attachments has been forwarded to the client department's Security Office.

Is this a renewal of a current contract? If so, please provide the current PWGSC file number.

Information on the security status of prospective suppliers may be obtained from the Contract Section of CISC.

Should it be necessary to initiate security screening action on the chosen supplier, the CISC will require written notification from your Directorate's Sponsorship Coordinator. The request shall include the name of the supplier, complete address, the name and telephone number of the President and the level of Facility Security Clearance required (see your Security Coordinator for details).

Please advise the CISC if you are aware of any work to be assigned to a third party in relation to this requirement under a subcontract or service agreement arrangement or any other business arrangement that will entail the release and/or access to the government's sensitive information and/or assets.

Kindly ensure that:
