The period of the Standing offer is from 01 June 2016 to 31 May 2017.

The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the *Standard Acquisition Clauses and Conditions Manual* (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The 2006 (2016-04-04) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

2.2 Submission of Offers

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

2.3 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than 7 calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.4 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

4.1.1 Financial Evaluation

4.1.1.1 Mandatory Financial Criteria

The Offeror must complete and submit with its offer, Annex B - Basis of Payment, in Canadian funds. In the event that a bidder does not provide a price for any item PWGSC will, for assessment purposes only, substitute the highest price quoted (by another bidder) for the item for which they did not provide a quote. If all bidders fail to provide a price for a particular item, that item will be eliminated for the assessment. This will be for the purposes of obtaining an aggregate total for each bidder.

Offers meeting the requirements of the Mandatory Financial Evaluation will be assessed to arrive at an Aggregate Value based on the estimated usage provided herein at Annex "B" and "FOB Destination", as indicated.

The estimated usage provided herein is for the sole purpose of establishing an evaluation tool, based only on best estimate and in no way reflect the actual usage's expected or any commitment on the part of the Crown.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications.
