Call-ups against this Standing Offer will be on an as-and-when-required basis. CMHC does not guarantee that any successful offeror under this Standing Offer will in fact be awarded a Call-up. Upon being called up, any offeror may accept or decline the proposed work.

Offeror selection for Call-ups against this SO will be on a rotational basis. Offerors will be ranked highest to lowest score as the result of the evaluation process. The Offeror ranked and deemed most qualified to fulfill the requirement of the Call-up will be offered the first opportunity for that Call-up. The next Call-up occurring will be offered to the next ranked Offeror.

Offeror selection for Call-ups against this SO will be on a rotational basis. Notwithstanding, as operational needs require, CMHC reserves the right, at its sole discretion, to determine which Offeror in the relevant stream is suited for a specific requirement and may award work based on subject matter expertise and/or geographical location.

The Offeror may accept or decline the assignment.

The offeror will sign and remit the signed Call-up against Standing Offer Form to CMHC prior to the commencement of the work. The Call-up against Standing Offer, signed by both parties, constitutes written approval for the offeror to begin the work.
