THIS SOLICITATION AMENDMENT **002** IS ISSUED TO MODIFY THE SOLICITATION AS FOLLOWS:

- 1- Modify the description of Group I Vehicles in ANNEX "A" – Statement of Work; and
- 2- Issue a revised version of Annex "A" – Statement of Work.

REMOVE:

Group I Vehicles	<p>This group of vehicles includes cars, pick-up style trucks and trailers that have a Gross Vehicle Weight Rating (GVWR) of less than 6,350 kg (14,000 lbs). The OEM vehicles in this group include:</p> <ul style="list-style-type: none">- Ford;- General Motors;- Chrysler/Dodge/Jeep;- Toyota;- Nissan; and- Hyundai. <p>For this category, the successful OEM will conduct all work.</p>
------------------	---

INSERT:

Group I Vehicles	<p>This group of vehicles includes cars, pick-up style trucks and trailers that have a Gross Vehicle Weight Rating (GVWR) of less than 6,350 kg (14,000 lbs). The OEM vehicles in this group include:</p> <ul style="list-style-type: none">- Ford;- General Motors;- Chrysler/Dodge/Jeep;- Toyota;- Nissan; and- Hyundai. <p>For this category, the successful vendor will conduct all work and outsource to OEM dealers as required.</p>
------------------	--

REMOVE: ANNEX "A" – STATEMENT OF WORK IN ITS ENTIRETY.

INSERT:

ANNEX "A" - (REVISION 1)

STATEMENT OF WORK

	<p style="text-align: center;">NOTICE</p> <p>This documentation has been reviewed by the technical authority and does not contain controlled goods.</p>
	<p style="text-align: center;">AVIS</p> <p>Cette documentation a été révisée par l'autorité technique et ne contient pas de marchandises contrôlées.</p>

**STATEMENT OF WORK FOR
COMMERCIAL VEHICLE REPAIR AND MAINTENANCE**

1.0 SCOPE

1.1. Purpose

The purpose of this statement of work is to define the scope and requirements that apply to the provision of preventive and corrective maintenance to a vehicle fleet comprised of various standard commercial makes and models including cars, pick-up style trucks, cargo vans/trucks, semi-tractors and trailers, and heavy commercial equipment.

1.2. Background

The Department of National Defence (DND) has a requirement for periodic maintenance and repair of a broad and diverse commercial (i.e., non-military) vehicle fleet. In order to provide a cost effective approach to maintenance and repair services, DND requires work under various service categories as outlined in this statement of work. The intention is to award Standing Offer Agreement (SOA) to a service provider (Offeror) in each of the service categories.

1.3. Applicable Documents

The following documents form part of this statement of work to the extent specified and are supportive of the statement of work when referenced; all other document references are to be considered supplemental information only. In the event of a conflict between the documents referenced and the contents of this statement of work, then the contents of the statement of work takes precedence.

- Chilton Labour Guide (www.chilton.cengage.com)
- Apprenticeship and Certification Act of the Province of Ontario (www.e-laws.gov.on.ca)
- National Safety Code Standards 11 b (www.ccmta.ca)
- Ontario Highway Traffic Act, Ontario Regulation 80/11 (www.e-laws.gov.on.ca)
- Ontario Ministry of the Environment, Drive Clean Program (www.ene.gov.on.ca)

- Ontario Ministry of the Environment, Environmental Protection Act, Section 9 (www.ene.gov.on.ca)
- Transport Canada, Canadian Standards Association (CSA) B620-03 Highway Tanks and Portable Tanks for the Transportation of Dangerous Goods (www.tc.gc.ca)
- ASTM B117 Standard Practice for Operating Salt Spray (Fog) Apparatus (www.astm.org)

1.4. Definitions

The following definitions apply to this statement of work:

Corrective Maintenance	Maintenance necessary to rectify mechanical or electrical failure of vehicle systems, sub-systems and components in order to return the vehicle to a operational condition
Direction	Specific instructions from the unit representative regarding the way ahead for required repairs identified by the Offeror that are over and above that specified on the work order.
Group I Vehicles	<p>This group of vehicles includes cars, pick-up style trucks and trailers that have a Gross Vehicle Weight Rating (GVWR) of less than 6,350 kg (14,000 lbs). The OEM vehicles in this group include:</p> <ul style="list-style-type: none"> - Ford; - General Motors; - Chrysler/Dodge/Jeep; - Toyota; - Nissan; and - Hyundai. <p>For this category, the successful vendor will conduct work and outsource to OEM dealers as required.</p>
Group II Vehicles	<p>This group of vehicles includes cargo vans/trucks, buses, semi-tractors and trailers and other vehicles that have a GVWR greater than 6,350 kg (14,000 lbs). The OEM vehicles in this group include:</p> <ul style="list-style-type: none"> - Setra; - Sterling; - International; - Ford (F350-F550); - Load Rite; - Workstar; - Freightliner; - Manac; - Semi-Trailers (Various); and - Enclosed Cargo Trailers (Various); <p>For this category, the successful vendor will conduct work and outsource to OEM dealers as required.</p>
Group III Vehicles	<p>This group of vehicles includes heavy commercial equipment including:</p> <ul style="list-style-type: none"> - Front end loaders; - Forklifts; - Tactors; and - Skidsteers.

	For this category, the successful vendor will conduct work and outsource to OEM dealers as required.
Original Equipment Manufacturer	The manufacturer and/or integrator of the vehicle when new.
Preventive Maintenance	Periodic maintenance that is recommended (by the OEM) to reduce the likelihood of mechanical or electrical failure, that would create an unsafe or abnormal operating condition, due to component degradation and normal wear and usage

1.5. Acronyms

DND	Department of National Defence
GVWR	Gross Vehicle Weight Rating
MOT	Ministry of Transportation (Ontario)
OEM	Original Equipment Manufacturer
PA	Procurement Authority
SOA	Standing Offer Agreement
TA	Technical Authority

2.0 DELIVERABLES

Specific Deliverables

The type of work to be delivered includes the following:

- (a) Group I Vehicles:
 - i. Service Category I - Preventive Maintenance (Inspection and Services;
 - ii. Service Category II - Corrective Maintenance including Ontario Ministry of Transportation (MOT) Safety Inspection;
 - iii. Service Category III - Ontario Ministry of the Environment (MOE) Emission Control Testing; and
 - iv. Service Category IV - Bodywork and Paint;
- (b) Group II Vehicles:
 - i. Service Category V - Preventive Maintenance (Inspection and Services);
 - ii. Service Category VI - Corrective Maintenance including MOT Safety Inspection;
 - iii. Service Category VII - MOE Emission Control Testing; and
 - iv. Service Category VIII - Bodywork and Paint;
- (c) Group III Vehicles:
 - i. Service Category IX - Preventive Maintenance (Inspection and Services);
 - ii. Service Category X - Corrective Maintenance; and
 - iii. Service Category XI - Bodywork and Paint;
- (d) Group I & II - Service Category XII - Automotive Oil Spray Corrosion Treatment.

2.2 Demand

The estimated forecasted demand is as follows:

Group	Service Category	Year 1	Year 2	Year 3	Option Year 1	Option Year 2
I	I	\$140k	\$140k	\$140k	\$140k	\$140k
I	II	\$140k	\$140k	\$140k	\$140k	\$140k
I	III	\$5k	\$5k	\$5k	\$5k	\$5k

I	IV	\$50k	\$50k	\$50k	\$50k	\$50k
II	V	\$100k	\$100k	\$100k	\$100k	\$100k
II	VI	\$100k	\$100k	\$100k	\$100k	\$100k
II	VII	\$5k	\$5k	\$5k	\$5k	\$5k
II	VIII	\$50k	\$50k	\$50k	\$50k	\$50k
III	IX	\$40k	\$40k	\$40k	\$40k	\$40k
III	X	\$50k	\$50k	\$50k	\$50k	\$50k
III	XI	\$25k	\$25k	\$25k	\$25k	\$25k
I & II	XII	\$20k	\$20k	\$20k	\$20k	\$20k

The breakdown of parts and labour, by OEM where applicable, is given in **Error! Reference source not found.**

3.0 REQUIREMENTS

The Offeror must provide services in accordance with the work performance requirements detailed for each Service Category in the following sections.

3.1. Group I Vehicles

3.1.1. Service Category I - Preventive Maintenance (Inspection and services)

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must perform inspections in accordance with the Light Vehicles Inspection Checklist at **Error! Reference source not found.**;
- (c) The Offeror must provide a cost and completion date estimate for preventive maintenance work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (d) If, while conducting approved preventive maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above.

3.1.2. Service Category II - Corrective Maintenance including MOT Safety Inspection

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;

- (b) The Offeror must provide a cost and completion date estimate for corrective maintenance or inspection work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) If, while conducting an inspection or approved corrective maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above; and
- (d) The Offeror must warranty corrective maintenance work for a period of one (1) year or 20,000 km (whichever comes first) following delivery of the vehicle back to the unit representative.

3.1.3 Service Category III - MOE Emission Control Testing

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must provide a cost and completion date estimate for environmental emission control testing work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) If, during the MOE Emission Control testing it is discovered that work has to be performed on the vehicle in order to repair a system(s) to bring emissions within the required limits, the Offeror must seek direction from the unit representative regarding repair; and
- (d) If the Offeror that performed the environmental emission control test has the facility and the equipment to perform the repair work, they must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above.

3.1.4. Service Category IV - Bodywork and Paint

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle, if serviceable, at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must provide a cost and completion date estimate for bodywork and painting to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) The Offeror must warranty body repair and paint work for a period of one (1) year following delivery of the vehicle back to the unit representative, with the exception of rust repair related work that must have the Offerors standard warranty for the work performed.

3.2. Group II Vehicles

3.2.1. Service Category V - Preventive Maintenance (Inspection and services)

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must perform inspections in accordance with the Truck Inspection Checklist at **Error! Reference source not found.**;
- (c) The Offeror must provide a cost and completion date estimate for preventive maintenance work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (d) If, while conducting approved preventive maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above.

3.2.2. Service Category VI - Corrective Maintenance

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must provide a cost and completion date estimate for corrective maintenance or inspection work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) If, while conducting an inspection or approved corrective maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above; and
- (d) The Offeror must warranty corrective maintenance work for a period of one (1) year or 20,000 km (whichever comes first) following delivery of the vehicle back to the unit representative.

3.2.3 Service Category VII - MOE Emission Control Testing

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must provide a cost and completion date estimate for environmental emission control testing work to the unit representative. Estimates that exceed \$1000 (HST not included) must be

written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;

- (c) If, during the MOE Emission Control testing it is discovered that work has to be performed on the vehicle in order to repair a system(s) to bring emissions within the required limits, the Offeror must seek direction from the unit representative regarding repair; and
- (d) If the Offeror that performed the environmental emission control test has the facility and the equipment to perform the repair work, they must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above.

3.2.4 Service Category VIII - Bodywork and Paint

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle, if serviceable, at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven;
- (b) The Offeror must provide a cost and completion date estimate for bodywork and painting to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) The Offeror must warranty body repair and paint work for a period of one (1) year following delivery of the vehicle back to the unit representative, with the exception of rust repair related work that must have the Offerors standard warranty for the work performed.

3.3 Group III Vehicles

3.3.1 Service Category IX - Preventive Maintenance (Inspection and services)

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative; Vehicles must be towed or moved by flatbed truck as applicable;
- (b) The Offeror must provide a cost and completion date estimate for preventive maintenance work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) If, while conducting approved preventive maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above.

3.3.2 Service Category X - Corrective Maintenance

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative; Vehicles must be towed or moved by flatbed truck as applicable;

- (b) The Offeror must provide a cost and completion date estimate for corrective maintenance or inspection work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) If, while conducting an inspection or approved corrective maintenance, it is discovered that additional unforeseen work has to be performed on the vehicle, the Offeror must provide the unit representative with a written description of the work, and a cost and completion date estimate for the additional work. The Offeror must not commence any additional work until receiving authorization to proceed as stated above; and
- (d) The Offeror must warranty corrective maintenance work for a period of one (1) year or 20,000 km (whichever comes first) following delivery of the vehicle back to the unit representative.

3.3.3. Service Category XI - Bodywork and Paint

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative; Vehicles must be towed or moved by flatbed truck as applicable;
- (b) The Offeror must provide a cost and completion date estimate for bodywork and painting to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;
- (c) The Offeror must warranty body repair and paint work for a period of one (1) year following delivery of the vehicle back to the unit representative, with the exception of rust repair related work that must have the Offerors standard warranty for the work performed.

3.4 Group I & II Vehicles

Service Category XII - Automotive Oil Spray Corrosion Treatment

The Offeror must provide services in accordance with the following:

- (a) The Offeror must pick-up and deliver the vehicle at times arranged with the unit representative. The Offeror's drivers must hold a valid provincial driver's license specific to the vehicle being driven; and
- (b) The Offeror must provide a cost and completion date estimate for oil spray work to the unit representative. Estimates that exceed \$1000 (HST not included) must be written. The Offeror must receive written authorization to proceed, in the form of a call-up, prior to commencing any work;

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
