## **AMENDMENT 003**

This amendment is issued to respond to questions submitted in response to solicitation 5P420-16-5015/A:

### **1. QUESTIONS AND ANSWERS:**

Q10. What is the scope of environmental services? The environmental consultant is looking for clarification on the type of environmental services required so they can assign the most appropriate team and cost.

A10. The environmental services will be depends on the project (project scope and location etc). The consultant will perform Environmental Impact Analysis (EIA) based on the CEAA 2012. Project will require either no EIA, or Basic Impact Analysis (BIA) or Detailed Impact Analysis (DIA), which will be specified in each call-up.

### **2. REVISION TO ANNEX D – PRICE PROPOSAL FORM:**

DELETE: In its entirety

REPLACE WITH: (see following page, changes made to Landscape Architectural and General section)

**All other Terms and Conditions Remain Unchanged**

## PRICE PROPOSAL FORM

## Appendix "D"

---

### INSTRUCTIONS

1. Complete price proposal form and submit in a separate sealed envelope, with the Proponent's name, Solicitation Number, and "Price Proposal Form" typed on the outside.
2. Price proposals are not to include Applicable Taxes and will be evaluated in Canadian Dollars.
3. Proponents are not to alter or add information to the form.
4. It is MANDATORY that offerors submit firm prices/rates for the period of the proposed Standing Offer for **all** items listed. **This section, when completed, will be considered as the offeror's Financial Offer.**
5. **Rates quoted must remain firm for the period of the Standing Offer.** GST/HST, if applicable, is not included and is to be shown as a separate item on any resulting invoice
6. In order to ensure that fair and competitive hourly rates are received for each of the positions listed, the following requirement must be strictly adhered to: Proponents must provide an hourly rate for each listed position. In the event that the firm consists of fewer personnel than listed, provide an hourly rate that corresponds with each position listed. The hourly rate provided must be equal to or greater than the hourly rate provided for the position listed below it. For example, if the firm does not have an Intermediate Personnel, the hourly rate provided must be equal to or greater than the hourly rate provided for the Junior Personnel. The hourly rate for any given category of personnel cannot be \$0 or nil value. Failure to insert an hourly rate for each position listed will render your proposal non-responsive.
7. There will be no extra payment made for overtime.
8. The Contractor will be reimbursed its authorized travel and living expenses reasonably and properly incurred in the performance of the Work, at cost, without any allowance for profit and/or administrative overhead, in accordance with the meal, private vehicle and incidental expenses provided in Appendices B, C and D of the [National Joint Council Travel Directive](#) and with the other provisions of the directive referring to "travellers", rather than those referring to "employees".  
  
All travel must have the prior authorization of the Project Authority.  
  
All payments are subject to government audit.
9. Fixed hourly rates for each category are to be provided in column B and are then multiplied by the weight factor in column A. Weight Factors are for evaluation purpose only, actual usage may vary.
10. Should there be an error in the extended pricing of the offeror's offer, the unit pricing shall prevail and the extended pricing shall be corrected in the evaluation. Any errors in the quantities of the offeror's offer shall be changed to reflect the quantities stated in this document. In the event that a mathematical error occurs in carrying over the totals, PCA will correct the totals to ensure the fairness of the Proposals
