PART 1 - GENERAL INFORMATION

1.1 Security Requirements

1. At the date of bid closing, the following conditions must be met:
 - (a) the Bidder must hold a valid organization security clearance as indicated in Part 6 - Resulting Contract Clauses;
 - (b) the Bidder's proposed individuals requiring access to classified or protected information, assets or sensitive work sites must meet the security requirements as indicated in Part 6 - Resulting Contract Clauses;
 - (c) the Bidder must provide the name of all individuals who will require access to classified or protected information, assets or sensitive work sites;
2. For additional information on security requirements, Bidders should refer to the [Industrial Security Program \(ISP\)](http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html>) website.

1.2 Statement of Work

Veterans Affairs Canada (VAC) administers a number of health and social benefits and programs for clients. VAC's clients are: Members of the Canadian Forces and Merchant Navy Veterans who served in the First World War, the Second World War or the Korean War, certain civilians who are entitled to benefits because of their wartime service, former members of the Canadian Forces (including those who served in Special Duty Areas) and the Royal Canadian Mounted Police, survivors and dependants of military and civilian personnel.

Medical Consultants at VAC are responsible for providing expert medical assessments concerning Disability Pensions and Awards, consultation services, expert medical advice on interdisciplinary planning of health services for clients and liaising with attending health care professionals. These services are provided in the context of the program and legislative frame work governing VAC programs (Pension Act, Canadian Forces members and Veterans Re-establishments and Compensation Act, and related Regulations and Policies).

Period of the contract is from July 1, 2016 to March 31, 2017 with two (2) optional twelve (12) month periods.

There are security requirements associated with this requirement. For additional information, consult Part 6 - Security, Financial and Other Requirements, and Part 7 - Resulting Contract Clauses. For more information on personnel and organization security screening or security clauses, Bidders should refer to the [Industrial Security Program \(ISP\)](http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html>) website.

The requirement is subject to the provisions of the Agreement on Internal Trade (AIT).

1.3 Debriefings

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days from receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

1.4 Trade Agreements

The requirement is subject to the provisions of the Agreement on Internal Trade (AIT).

PART 2 - BIDDER INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the *Standard Acquisition Clauses and Conditions Manual* (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2016-04-04) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

Subsection 5.4 of 2003, Standard Instructions - Goods or Services - Competitive Requirements, is amended as follows:

Delete: 60 days
Insert: 90 days

2.2 Submission of Bids

Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the bid solicitation.

2.3 Former Public Servant

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPSs, bidders must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the bid non-responsive.

Definitions

For the purposes of this clause, "former public servant" is any former member of a department as defined in the *Financial Administration Act*, R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

- a. an individual;
- b. an individual who has incorporated;
- c. a partnership made of former public servants; or

- d. a sole proprietorship or entity where the affected individual has a controlling or major interest in the entity.

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c. C-17, the [Defence Services Pension Continuation Act](#), 1970, c. D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c. R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c. R-11, the [Members of Parliament Retiring Allowances Act](#), R.S. 1985, c. M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c. C-8.

Former Public Servant in Receipt of a Pension

As per the above definitions, is the Bidder a FPS in receipt of a pension? **Yes** () **No** ()

If so, the Bidder must provide the following information, for all FPSs in receipt of a pension, as applicable:

- a. name of former public servant;
- b. date of termination of employment or retirement from the Public Service.

By providing this information, Bidders agree that the successful Bidder's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2012-2](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

Work Force Adjustment Directive

Is the Bidder a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **Yes** () **No** ()

If so, the Bidder must provide the following information:

- a. name of former public servant;
- b. conditions of the lump sum payment incentive;
- c. date of termination of employment;
- d. amount of lump sum payment;
- e. rate of pay on which lump sum payment is based;
- f. period of lump sum payment including start date, end date and number of weeks;

-
- g. number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program.

For all contracts awarded during the lump sum payment period, the total amount of fees that may be paid to a FPS who received a lump sum payment is \$5,000, including Applicable Taxes.

2.4 Enquiries - Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than 5 calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.5 Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

PART 3 - BID PREPARATION INSTRUCTIONS

3.1 Bid Preparation Instructions

Canada requests that Bidders provide their bid in separately bound sections as follows:

Section I: Technical Bid (2 hard copies)

Section II: Financial Bid (1 hard copy)

Section III: Certifications (1 hard copy)

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Canada requests that Bidders follow the format instructions described below in the preparation of their bid:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Bidders should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Technical Bid

In their technical bid, Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the Work.

Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment. The total amount of Applicable Taxes must be shown separately.

3.1.2 Exchange Rate Fluctuation

[C3011T](#) (2013-11-06), Exchange Rate Fluctuation

Section III: Certifications

Bidders must submit the certifications and additional information required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the bids.

4.1.1 Technical Evaluation

4.1.1.1 Mandatory Technical Criteria

Any proposal which fails to meet the following mandatory requirements below will be deemed non-Responsive and will receive no further consideration.

ATTENTION BIDDERS: WRITE BESIDE THE CRITERIA BELOW, THE RELEVANT PAGE NUMBER(S) FROM YOUR PROPOSAL WHICH ADDRESSES THE MANDATORY TECHNICAL CRITERIA.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive, or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

The Contracting Authority will have the right to ask for additional information to verify the Bidder's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Contracting Authority will render the bid non-responsive or constitute a default under the Contract.

5.1 Certifications Required with the Bid

Bidders must submit the following duly completed certifications as part of their bid.

5.1.1 Integrity Provisions - Declaration of Convicted Offences

In accordance with the *Ineligibility and Suspension Policy* (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Bidder must provide with its bid the required documentation, as applicable, to be given further consideration in the procurement process.

5.2 Certifications Precedent to Contract Award and Additional Information

The certifications and additional information listed below should be submitted with the bid, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the bid non-responsive.

5.2.1 Integrity Provisions – Required Documentation

In accordance with the *Ineligibility and Suspension Policy* (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Bidder must provide the required documentation, as applicable, to be given further consideration in the procurement process.

5.2.2 Federal Contractors Program for Employment Equity - Bid Certification

By submitting a bid, the Bidder certifies that the Bidder, and any of the Bidder's members if the Bidder is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list available at the bottom of the page of the [Employment and Social Development Canada \(ESDC\) - Labour's](http://www.esdc.gc.ca/en/jobs/workplace/human_rights/employment_equity/federal_contractor_program.page?&_ga=1.229006812.1158694905.1413548969) website (http://www.esdc.gc.ca/en/jobs/workplace/human_rights/employment_equity/federal_contractor_program.page?&_ga=1.229006812.1158694905.1413548969).

Canada will have the right to declare a bid non-responsive if the Bidder, or any member of the Bidder if the Bidder is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of contract award.

6.6 Proactive Disclosure of Contracts with Former Public Servants

6. By providing information on its status, with respect to being a former public servant in receipt of a **Public Service Superannuation Act** (PSSA) pension, the Contractor has agreed that this information will be reported on departmental websites as part of the published proactive disclosure reports, in accordance with [Contracting Policy Notice: 2012-2](#) of the Treasury Board Secretariat of Canada.

6.7 Payment

6.7.1 Basis of Payment – Limitation of Expenditure

The Contractor will be reimbursed for the costs reasonably and properly incurred in the performance of the Work, as determined in accordance with the Basis of Payment in Annex B, to a limitation of expenditure of \$_____ (***insert the amount at contract award***). Customs duties are included and Applicable Taxes are extra.

6.7.2 Limitation of Expenditure

1. Canada's total liability to the Contractor under the Contract must not exceed \$_____ (***To be entered at time of contract award***). Customs duties are included and Applicable Taxes are extra.
2. No increase in the total liability of Canada or in the price of the Work resulting from any design changes, modifications or interpretations of the Work, will be authorized or paid to the Contractor unless these design changes, modifications or interpretations have been approved, in writing, by the Contracting Authority before their incorporation into the Work. The Contractor must not perform any work or provide any service that would result in Canada's total liability being exceeded before obtaining the written approval of the Contracting Authority. The Contractor must notify the Contracting Authority in writing as to the adequacy of this sum:
 - a. when it is 75 percent committed, or
 - b. four (4) months before the contract expiry date, or
 - c. as soon as the Contractor considers that the contract funds provided are inadequate for the completion of the Work, whichever comes first.
3. If the notification is for inadequate contract funds, the Contractor must provide to the Contracting Authority a written estimate for the additional funds required. Provision of such information by the Contractor does not increase Canada's liability.

6.8 Invoicing Instructions

The Contractor must submit invoices in accordance with the section entitled "Invoice Submission" of the general conditions. Invoices cannot be submitted until all work identified in the invoice is completed.

1. Invoices must be distributed as follows:
 - a. The original and one (1) copy must be forwarded to the address shown on page 1 of the Contract for certification and payment.

6.9 Certifications and Additional Information

6.9.1 Compliance

Unless specified otherwise, the continuous compliance with the certifications provided by the Contractor in its bid or precedent to contract award, and the ongoing cooperation in providing additional information are conditions of the Contract and failure to comply will constitute the Contractor in default. Certifications are subject to verification by Canada during the entire period of the Contract.

6.10 Applicable Laws

The Contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

6.11 Priority of Documents

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.

6.13 Insurance Requirements

The Contractor must comply with the insurance requirements specified in Annex D. The Contractor must maintain the required insurance coverage for the duration of the Contract. Compliance with the insurance requirements does not release the Contractor from or reduce its liability under the Contract.

The Contractor is responsible for deciding if additional insurance coverage is necessary to fulfill its obligation under the Contract and to ensure compliance with any applicable law. Any additional insurance coverage is at the Contractor's expense, and for its own benefit and protection.

The Contractor must forward to the Contracting Authority within ten (10) days after the date of award of the Contract, a Certificate of Insurance evidencing the insurance coverage and confirming that the insurance policy complying with the requirements is in force. For Canadian-based Contractors, coverage must be placed with an Insurer licensed to carry out business in Canada, however, for Foreign-based Contractors, coverage must be placed with an Insurer with an A.M. Best Rating no less than "A-". The Contractor must, if requested by the Contracting Authority, forward to Canada a certified true copy of all applicable insurance policies.

ANNEX "A"

STATEMENT OF WORK

Medical Consultant –Various Veterans Affairs Canada (VAC) Area Offices

1.0 Background

Veterans Affairs Canada (VAC) administers a number of health and social benefits and programs for clients. VAC's clients are: Members of the Canadian Forces and Merchant Navy Veterans who served in the First World War, the Second World War or the Korean War, certain civilians who are entitled to benefits because of their wartime service, former members of the Canadian Forces (including those who served in Special Duty Areas) and the Royal Canadian Mounted Police, survivors and dependants of military and civilian personnel.

Medical Consultants at VAC are responsible for providing expert medical assessments concerning Disability Pensions and Awards, consultation services, expert medical advice on interdisciplinary planning of health services for clients and liaising with attending health care professionals. These services are provided in the context of the program and legislative frame work governing VAC programs (Pension Act, Canadian Forces members and Veterans Re-establishments and Compensation Act, and related Regulations and Policies).

Further information on Veterans Affairs Programs and services can be found at www.vac-acc.gc.ca

2.0 Objective

The Contractors must provide medical consultation services on behalf of VAC for the Ottawa Area Office, in accordance with the terms and conditions set out in this document.

3.0 Language Requirements

The Contractors must have the ability to read, write and conduct pension medical examinations in English and French.

4.0 Deliverables

Pension Medical Examinations

The Contractor is required to conduct Pension Medical Examinations (PMEs) for VAC. PMEs will be conducted in an examination room at the designated VAC office. PMEs can be for New Entitlements or Re- assessments.

Performance requirements include:

- Medical interview and examination of Veterans with disabling medical conditions;
- Communicate the result of the PMEs findings in a format specified by VAC that facilitates the assessment of the Disability Award benefit or Disability Pension benefit under the VAC Table of Disabilities and Entitlement Eligibility Guidelines;
- Determine and review medical investigations and specialized referrals required for the

assessment of VAC disability benefits and health care benefits and services.

It is VAC's expectation that examinations for clients with one pension/awarded conditions would take up to 1 hour to complete and examinations for clients with additional pension/awarded conditions would take approximately ½ hour more to complete for each additional pensioned/awarded condition (this includes review time and times to complete required forms).

The Contractor will be required to provide his/her medical opinion on forms provided to him/her by VAC. Handwritten forms must be legible. The contractor may be required to enter opinion/recommendations into an electronic system (such as the Client Service Delivery Network).

Examinations must be made within thirty (30) days of initial request for appointment.

If the Contractor has concerns regarding a VAC client's care, they are to contact the client's VAC Client Service Team Manager or their VAC contract Authority.

In the event of a cancellation/postponement or no show, the Contractor may perform the duties as medical consultant as specified in section (3) Scope of Work – Medical consultant at the direction of their VAC Contract Authority.

Medical Consultation Services

The Contractor will provide medical consultation services and interdisciplinary planning of health services for clients. The Contractor will consult / liaise with VAC staff, clients, family physicians, specialists, and other health and medically related organizations and facilities as required.

Performance requirements include:

- Review medical documentation and client information in order to provide medical opinions and/or recommendations regarding the adjudication of VAC health care benefits and services, including establishing the relationship of various health care benefits and services to entitled conditions. Opinions and recommendations are typically entered in VAC database system (Client Service Delivery Network (CSDN).
- Provide client case consultation services to internal stakeholders individually or as a member of the Health Care Team and/or Interdisciplinary Client Service Team within the Area Office;
- Facilitate an effective working relationship between VAC and the client's primary care physician and/or specialists. Obtain client medical information from these physicians, and discuss VAC concerns regarding client care and the advancement of client rehabilitation plans from a medical standpoint;
- Provide medical advice, guidance and information to VAC staff, other government departments, non government offices and the private sector individuals/businesses;
- Provide information and make recommendations on applications for departmental contract beds, where applicable;
- Liaise with internal and external stakeholders and keep abreast of evolving medical knowledge and changes to federal, provincial, municipal and VAC health services;

- Research current medical information, client case histories, VAC programs and VAC policy governing disability benefit programs and health care benefits and services; and
- Attend/Participate in all scheduled Interdisciplinary Client Service Team meetings.
- Attend/Participate in other scheduled teleconferences as required.

As and When Requested services:

- Provide information on the application of VAC policy on health care matters;
- Provide In-Service training and education to VAC staff on health care matters relating to VAC client base needs; and
- Attend face to face meetings.

5.0 Training

Training requirements are as follows:

- VAC will provide training on the Disability Pension and Disability Awards Programs; and
- VAC will provide training on its Legislation and Programs as required.

6.0 Volume of Work

6.1 Scheduled Services:

Contractor will receive an estimated schedule of work. The scheduled time cannot be exceeded without approval by the Project Authority. For scheduling purposes, the work is to be performed during the normal business hours of the office where the work is to be performed. Services are to be provided Monday to Friday inclusive, exclusive of statutory holidays.

The estimated number of hours/days of scheduled service is two days a week. The Project Authority reserves the option to amend the schedule.

6.2 Un-scheduled Services

The Project Authority, or designate, may pre-authorize additional days per contract year to meet changing demands in workload.

7.0 Location of Work

The services are to be carried out at VAC Ottawa Area Office.

8.0 Travel

There may be a requirement for occasional travel within the Field Area(s). Travel must be pre-authorized by the Project Authority. Travel related costs to and from the Area Office are the Contractor's responsibilities.

9.0 Additional Terms & Conditions

For the purpose of this contract, personal health information will be referred to as personal information as defined in Section 3(b) of the *Privacy Act*.

9.1 Handling of Personal Information

The Contractor acknowledges that Veterans Affairs Canada is bound by the *Privacy Act* with respect to the protection of personal information as defined in the Act. The Contractor must keep private and confidential any such personal information collected, created or handled by the Contractor under the contract, and must not collect, use, copy, disclose, dispose of or destroy such personal information except in accordance with the *Privacy Act* and the delivery provisions of the contract.

All personal information is under the control of Veterans Affairs Canada, and the Contractor has no right in or to that information. The Contractor must deliver to the project authority all such personal information in whatever form, including all working papers, notes, memoranda, reports, data in machine-readable format or otherwise, and documentation which have been made or obtained in relation to the contract, within 30 days of the completion or termination of the contract, or at such earlier time as the project authority may request. Upon delivery of the personal information to the project authority, the Contractor will have no right to retain that information in any form and must ensure that no record of the personal information remains in the Contractor's possession.

9.2 On-line Submission of Health Information

Contractors may be required to transmit health information on-line over the Internet through Benefits and Health Services On-Line (BHSOL). When the Contractor is required to transmit Veterans Affairs Canada client health information on-line via the Internet, the contractor will ensure that such Internet transmission is through a web-browser having its Security lock mechanism engaged.

9.3 Ownership and Control

All information (personal or otherwise) which is used, processed, handled, stored, and recorded by the Contractor for the purposes of fulfilling the requirements of the Contract, regardless of the format, medium, and physical characteristics, remains under the ownership and control of VAC. All applicable Federal legislations apply under all circumstances, even when such information is in the sole custody of the Contractor.

In accepting this contract, the Contractor acknowledges that VAC maintains ownership and control over all personal information and any other information that is collected, created, captured, received, used, processed, handled, stored, and recorded by the Contractor when fulfilling the requirements outlined in the Contract.

Upon delivery of the final requirements of the contract, the Contractor will ensure that all information referenced above is returned to the Project Authority.

9.4 Disclosure of Personal Information

Information in the custody of the Contractor shall not be disclosed or transferred to a third party, except in accordance with specifics of the Contract, without the written permission of the Department to which the information belongs.

If the Contractor receives any request for disclosure of personal information for a purpose not authorized under the contract, or if it becomes aware that disclosure may be required by law, the Contractor shall immediately notify the Project Authority about the request or demand for disclosure and shall not disclose the information without the written permission of the Department to which the information belongs.

Information from any one (1) specific Department shall not be shared with any of the other Departments unless authorized by the specific Department to which the information belongs.

9.5 Requests for Information

Should the Contractor receive a request for information from a third party, relating to information in their custody for the purposes of this contract, the Contractor will advise the Project Authority. Following consultation with the VAC Access to Information and Privacy Coordinator, the Project Authority will provide the Contractor with guidance and direction on handling the request.

9.6 Notification of Non-Compliance or Breach of Privacy and Security

The Contractor shall notify, in writing, the Project Authority, Veterans Affairs Canada and the Contracting Authority immediately of any reason it does not comply with the Privacy and Security provisions of the Contract in any respect. The Contractor shall promptly notify the Project Authority of the particulars of the non-compliance and what steps it proposes to take to address, or prevent recurrence of the non-compliance.

The Contractor shall notify the Project Authority immediately when it becomes aware of, an occurrence of breach of privacy or of the security requirements of the Contract. This includes but is not limited to:

- a) unauthorized access to or modification of the personal information in its custody
- b) unauthorized use of the personal information in its custody
- c) unauthorized disclosure of the personal information in its custody
- d) A breach of privacy or security with respect to personal information in its custody or with respect to any computer system in its custody and that may be used to access personal information.

The Contractor shall work with the Departments to achieve resolution and compliance with Government of Canada privacy and security requirements.

9.7 Collection of Personal Information

Personal information collected about clients by the Contractor for the provision of services covered by the contract shall be collected in accordance with the following requirements.

1. Authorized in legislation and confirmed that it has been so authorized by the Project Authority.
2. The Contractor(s) shall notify individuals from whom it collects personal information.
 - (a) of the purpose for collecting it;
 - (b) of any statutory authority for the collection;
 - (c) whether the response is voluntary or required by law;
 - (d) of any possible consequences of refusing to respond;
 - (e) of the individual's right of access to and correction of the information; and
 - (f) of the number of personal information banks in which the personal information will be retained.
3. Limited to that which is required for the administration of services and benefits necessary for the contractor(s) to comply with the contract (there shall be a demonstrable need for each piece of personal information collected:
4. Unless otherwise directed in writing, information is to be collected directly from the individual to whom the information relates; and
5. If information is collected from a third party, it is to be collected with the clients consent or with an appropriate legislative authority authorizing collection.

The Contractor(s) shall agree to work with the Project Authority to determine the personal information elements that will be collected to fulfill the requirements of the contract, and to develop the notification statement that will be used when collecting personal information from clients.

Note: The Project Authority will review and approve all forms that the Contractor(s) proposes to use in

support of the collection of information. After initial approval, if changes or amendments are made by the contractor, during the life of the contract, the forms shall be re-approved by the Project Authority.

The Contractors employees shall effectively identify themselves to the individuals from whom they are collecting personal information and provide individuals with a means to verify that they are actually working on behalf of the Project Authority and authorized to collect the information.

9.8 Use of Personal Information

Unless otherwise directed in writing, the Contractor shall use all personal information solely for the purpose(s) for which it was provided, as determined by the Department to which the information belongs and in accordance with the requirements of the Contract. Any secondary use of such information, including research, shall be approved by each of the Departments.

9.9 Disclosure of Personal Information

Information in the custody of the Contractor shall not be disclosed or transferred to a third party, except in accordance with specifics of the Contract, without the written permission of the Department to which the information belongs.

9.10 Non-Disclosure of Confidential Information

All information, whether technical, financial or otherwise, including without limitation all secret or confidential information belonging to Veterans Affairs Canada, in whatever forms, which are derived from discussions and examples during this contract, shall be referred to in this Statement as "Confidential Information".

Confidential Information is a valuable, special and unique asset belonging to Veterans Affairs Canada. The contractor agrees they will not disclose Confidential Information belonging to VAC to any person, firm, corporation, association or any other entity for any reason or purpose whatsoever.
