SERVICES REQUIRED:

1. The Contractor is required to perform Monthly Inspections during the same week of each month. Any exceptions from the schedule are to be discussed with the Facility Manager.

Monthly Inspections include, but are not limited to:

- a. Providing and maintaining an effective Pest Control Program.
- b. When required, place traps, poison baits, and/or deterrent devices to exterminate mice, gophers, ants, bees, wasps, silverfish, cockroaches and other pests inside of buildings and structures, and on grounds.
- c. Maintain all closed bait stations and Ketch all traps.
- d. Dispose of trapped pests when necessary.
- e. Provide an updated, detailed, list to the Facility Manager identifying the various methods of control in the buildings, structures and on grounds.

2. 'As and When Requested' services include, but are not limited to:
 - a. Inspections which may be requested between monthly inspections, but are not part of the monthly inspection.
 - b. Pesticide treatments
 - c. Extermination
 - d. Gopher control services
 - e. 24 Hour Emergency consultation services.
 - f. Any adverse and dangerous conditions existing at the time of an inspection must be provided in writing to the Facility Manager.
