**This amendment is being issued to provide Canada's responses to a bidder's questions asked during the mandatory site visit.**

Q1. One question was regarding the cabinets and whether or not they were to be repaired.

A1. The rear cabinet should be included as it is considered part of the water tank and falls under section B (item 3) of Annex A, Statement of Work. The front cabinet is part of the truck and is not included.

Q2. The second question had to do with work on the heater and whether or not this had to be included in the required repairs.

A2. The heater repairs will not be included as part of this requirement.

**All other terms and conditions remain unchanged.**
