In general, work under this contract consists of, but will not necessary be limited to, the following:

1. Installation of bar grating and handrails;
2. Repairs to concrete diversion dam;
3. Installation of new concrete barriers;
4. Miscellaneous repairs to concrete and steel components throughout Fishway.
5. Coordinate use of premises under direction of Owner's Representative.
6. Obtain and pay for use of additional storage or work areas needed for operations under this Contract;
7. Remove or alter existing work to prevent injury or damage to portions of existing work which remain;
8. Repair or replace portions of existing work which have been altered during construction operations to match existing or adjoining work, as directed by Owner's Representative.]
9. Cooperate with premises Owner in scheduling operations to minimize conflict and to facilitate Owner usage.

LOCATION OF WORK, WORK SITE AND DELIVERY POINT:

Gambo, NL

FAMILIARIZATION WITH SITE:

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure, and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies, and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification Section 01 35 28 – “Health and Safety Requirements” before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES:

Start Date: June 20, 2016
Completion Date: October 15, 2016

Note: Contractor is advised that any and all work completed within the waters of Middle Brook can only be completed **prior to June 15th, 2016** and **after September 15th, 2016** to avoid the salmon migration period. Regardless of the above schedule restrictions the Contractor is to contact the DFO Project Manager to obtain their approval prior to engaging in ‘in water’ construction activities.

SECURITY REQUIREMENTS:

None.

MANDATORY REQUIREMENTS:

1. The tenderer must provide tender security, at the tenderer’s own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.

QUESTION AND ANSWER PERIOD:

Bidders should note that all questions regarding this Invitation To Tender are to be submitted **ONLY** in writing by email, no later than Monday June 6th, 2016, 2:00 PM (EDT) to the contract Officer listed below. The department may be unable to respond to questions submitted after that date.

Fisheries and Oceans Canada will not necessarily accept the lowest or any of the tenders received and reserves the right to reject any and all tenders received which shall be final and at the sole discretion of the Department.
