Amendment 4

This amendment has been issued to answer questions from bidders.

Q3. Specification 01 35 00.06 Item 1.2 Measurement and Payment – States that payment will be made 50% when Detour is installed and 50% when Removed. As approximately 80-90% of the costs of the detour are incurred during the installation would the owner consider changing the payment terms to better reflect the actual costs?

A3. Specification 01 35 00.06, Delete Item 1.2.1.2 and replace with the following:

75% of Lump Sum Contract Price for Traffic Control – Detours to be paid when installation of detours are complete.

All other terms and conditions remain unchanged.
