This amendment is raised to answer questions as follows:

Q1: If some of the rooms have 2 beds, are we expected to accommodate 2 persons? Because the request states either single or double occupancy, but does not say anything in regards to linen change if a DND member is shipped out and is replaced by another DND member that same day. (this only in regards for the to 2 bed accommodations.)

A1: We are expecting to accommodate 2 persons per room if need be. If someone leaves during the EX, no replacement will be expected.

Q2. If one supplier can accommodate the entire request for 2180 room nights, will that supplier be awarded the full contract? Or will multiple contracts be awarded based on lowest cost per what each supplier can accommodate.

A2: The meaning of the clause is:

If a supplier can accommodate the entire group at one location (one civic address), one contract will be awarded.

If not, multiple contracts may be awarded based on lowest compliant bid. Under all circumstances, as far as that the financial offer represents a fair value for Canada.

And to add the following statement at Part 4, 4.2 Basis of Selection

The maximum funding available for the Contract resulting from the bid solicitation is \$420,000.00 CDN (Applicable Taxes included). Bids valued in excess of this amount will be considered non-responsive. This disclosure does not commit Canada to pay the maximum funding available.

All other terms and conditions to remain the same.
