AMENDMENT 003

This amendment is issued in response to the following questions.

Question 1:

Question 3 of Addenda 2 confirmed 90 weeks for Resident Construction Services Representative. Does this imply that the construction period is also 90 weeks or is it 120 weeks? The RFP does not contain any clear information as to construction duration. In order to level the playing field, can PWGSC confirm a construction duration?

Answer 1:

PWGSC anticipates a two-year construction period.

Question 2:

Considering Addenda 2 was released less than 5 business days before the deadline and that it has an impact on the financial component of our offer, we are asking for an extension to effectively recalculate our fees with our partners.

Answer 2:

The bid closing deadline will be extended to Wednesday, June 8 at 2:00 p.m. ADT.

No further questions or extensions will be considered.

All other terms and conditions remain unchanged.
