Amendment 01

This amendment is being raised to distribute answers to bidder questions.

A. BIDDER QUESTIONS

Q1 Please clarify the following. What is the intention with the Soffit, Fascia and Gutters?

A1 As stated in the drawings and specifications – the intention is to reuse the gutters, downspouts, and fascias that remain in good repair. Soffits can be included in this category as well.

Q2 What is the intention with the existing floors once the existing finishes are removed, I am thinking we would be as off to provide a new 3/8" underlay to all areas prior to the installation of new flooring?

A2 The contractor is responsible for ensuring the final floor installation is level. If a 3/8" underlay assists the contractor in achieving this requirement, then this is acceptable.

All other terms and conditions remain unchanged.
