Amendment 006 is raised to provide answers to the following questions:

Question 6:

Drawing 9379194 identifies items 1 to 4 as Locking Cable but does not provide size or material.

Also the part number given for Compression Sleeve, Item 5 is not listed in the suppliers catalogue

Answer 6:

The drawing 9379194 refers to parts from Drawing 9379193. Cable lengths are on this drawing.

The Compression sleeve has been changed to P/N 3896T3 but the change is not reflected on the drawing from Directa.

I am including a copy of both drawings: 9379194 with new part number and 9379193.

Question 7:

In Amendment 004, the following answer was provided to question 2:

Question 2:

For item #1 part number 9379016-1 and item #3 part number 9379849-1 - there are drawing notes that specifying that the "hardware" to be Zinc Passivated, Olive Drab.

Answer 2:

The Parts are Commercial parts and are not Zinc Passivated, Olive Drab

Can you clarify?

Answer 7:

Please follow the notes on the drawing. For Drawing 9379016-1, See note 1 for specifics.

All other terms and conditions remain unchanged.
