AMENDMENT 003

Title: Spur-Wharf Demolition, Matane, Quebec

Included in the present amendment:

1. Question and answer #5
2. Modification 1

-
1. Question and answer

Question 5:

In the invitation, a sixteen (16) weeks from the acceptance of the offer is allowed to realize all the work. Once the offer is accepted, we must ask for the deposits and insurance certificates, which causes delays. We also have a lot of preparations for this kind of project. Is it possible that the sixteen (16) weeks that you allocate for this contract only begins after site mobilization?

Answer 5:

Indeed, there will be a significant period of time between the acceptance of the offer and mobilization on the site. Therefore, an additional period of four (4) weeks will be allowed for a total of twenty (20) weeks to complete the work from the acceptance of the offer.
