## **APPENDIX B (amdt)**

### **PRICE PROPOSAL FORM**

## PRICE PROPOSAL

## Appendix "B" amdt

### INSTRUCTIONS

1. Complete price proposal form and submit in a separate sealed envelope, with the Proponent's name, Solicitation Number, and "Price Proposal Form" typed on the outside.
2. Price proposals are not to include Applicable Taxes and will be evaluated in Canadian Dollars.
3. Proponents are not to alter or add information to the form.
4. It is MANDATORY that offerors submit firm prices/rates for the period of the proposed Standing Offer for all items listed. This section, when completed, will be considered as the offeror's Financial Offer.
5. Fixed hourly rates for each category are to be provided in column B and are then multiplied by the weight factor in column A. Weight Factors are for evaluation purpose only, actual usage may vary.
6. Should there be an error in the extended pricing of the offeror's offer, the unit pricing shall prevail and the extended pricing shall be corrected in the evaluation. Any errors in the quantities of the offeror's offer shall be changed to reflect the quantities stated in this document. In the event that a mathematical error occurs in carrying over the totals, PCA will correct the totals to ensure the fairness of the Proposals.
7. **Rates quoted must remain firm for the period of the Standing Offer.** GST/HST, if applicable, is not included and is to be shown as a separate item on any resulting invoice
8. In order to ensure that fair and competitive hourly rates are received for each of the positions listed, the following requirement must be strictly adhered to: Proponents must provide an hourly rate for each listed position. In the event that the firm consists of fewer personnel than listed, provide an hourly rate that corresponds with each position listed. The hourly rate provided must be equal to or greater than the hourly rate provided for the position listed below it. For example, if the firm does not have an Intermediate Personnel, the hourly rate provided must be equal to or greater than the hourly rate provided for the Junior Personnel. The hourly rate for any given category of personnel cannot be \$0 or nil value. Failure to insert an hourly rate for each position listed will render your proposal non-responsive.
9. There will be no extra payment made for overtime.
10. All Travel and Living expenses must have the prior authorization of the Project Authority and comply with government's related allowance amount, rules and regulations, and are subject to government audit.
  - a. Firms are advised that any travel time and travel-related expenses associated with the delivery of services within a **300 km** radius of each major city located in each Zone as detailed herein are to be calculated as an integral part of the hourly rates. For delivery of services outside of this **300 km** radius, travel-related expenses will be paid (with prior approval of the Departmental Representative) as specified in Appendices B, C and D of the Treasury Board Travel Directive.
  - b. Major city in each zone as follow:
    - i. **Ottawa, (Ontario);**
    - ii. **Toronto, (Ontario).**
