QUESTIONS and ANSWERS

1. Question from Bidder:

Reference to Drawing sheet 2 of 10

It is indicated on drawing that we shall install a shed on the existing concrete slab where the rectifiers are placed. Do we have to supply this shed?
If so, do you have details or specs?

DFO Answer 01:

No; the supply and installation of the shed has been removed from the tender – see Addendum #1 for more details.

All other Terms and Conditions for this requirement remain unchanged.
