

RFP / DDP 50011-16 Candidate Inventory for the Deputy Minister Cadre / Répertoire de candidats potentiels au poste de sous-ministre

Question and Answers / Questions et réponses :

Q2: We have a question about whether it covers all GIC appointments – particularly the heads of Crown Corporations, which previously fell under a different procurement vehicle. Could you please let us know whether this RFP covers the recruitment for specific roles, and includes GIC appointments? i.e. would the candidate pool that is developed be used to staff vacancies among Crown Corporation CEOs and the like?

A2: “The RFP does not cover all GIC appointments. It is specifically for the Deputy Minister cadre.”

“ Le DDP ne comprend pas tous les nominations par le gouverneur en conseil (GC). Il est spécifiquement pour les postes de sous-ministres.”
