

Vessel: CCGS Griffon
Solicitation No.: F2599-165033/A
Contracting Authority: Dave Green
Telephone No.: 819-420-2900
Cellular No.: 613-482-9687
Email: dave.green@pwgsc.gc.ca

Requirement:

To carry out the floating refit of the Canadian Coast Guard Vessel CCGS Griffon in accordance with the associated technical information as detailed in Annex A – Statement of Work – Specifications No. 814.15.

Vessel Transfer Costs for each vessel will apply to all bids for evaluation purposes.

Optional Site Visit:

Optional site visits will be held at 09:00am on June 21, 2016 and June 22, 2016 at the Canadian Coast Guard Base, 401 King Street West, Prescott, Ontario.

Bidders' Conference:

A bidders' conference chaired by the Contracting Authority will be held at 1:00pm on June 22, 2016 at the same location.

Destination:

The work shall be carried out at the Contractor's facility.

Work Period:

Commence: August 10, 2016.
Complete: November 2, 2016.

Sourcing Strategy:

The sourcing strategy related to this procurement will be limited to suppliers in Eastern Canada Region, in accordance with the Shipbuilding, Refit, Repair and Modernization Policy (1996-12-19) subject to the Agreement on Internal Trade (AIT). This procurement is exempt from NAFTA [see Chapter 10, Annex 1001.2b, paragraph 1 (a)] and from the WTO-AGP (see Annex 4).

One contract will be awarded as a result of this solicitation.
