2015A 03 (2015-12-18) Powers of Canada

All rights, remedies, powers and discretions granted or acquired by Canada under the Contract or by law are cumulative, not exclusive.

2015A 04 (2015-12-18) Status of the Contractor

The Contractor is an independent contractor engaged by Canada to perform the Work. Nothing in the Contract is intended to create a partnership, a joint venture or an agency between Canada and the other Party or Parties.

The Contractor must not represent itself as an agent or representative of Canada to anyone. Neither the Contractor nor any of its personnel is engaged as an employee or agent of Canada. The Contractor is responsible for all deductions and remittances required by law in relation to its employees.

2015A 05 (2015-12-18) Condition of Material

Unless provided otherwise in the Contract, material supplied must be new and conform to the latest issue of the applicable drawing, specifications and part number that is in effect on the bid closing date or, if there was no bid solicitation, the date of the Contract.

2015A 06 (2015-12-18) Time of the Essence

It is essential that the Work be delivered within or at the time stated in the Contract.

2015A 07 (2015-12-18) Excusable Delay

A delay in the performance by the Contractor of any obligation under the Contract that is caused by an event that:

- a. is beyond the reasonable control of the Contractor;
- b. could not reasonably have been foreseen;
- c. could not reasonably have been prevented by means reasonably available to the Contractor;
 and
- d. occurred without the fault or neglect of the Contractor, will be considered an "Excusable Delay" if the Contractor advises the Contracting Authority of the occurrence of the delay or of the likelihood of the delay as soon as the Contractor becomes aware of it. The Contractor must also advise the Contracting Authority, within 15 working days, of all the circumstances relating to the delay and provide to the Contracting Authority for approval a clear work around plan explaining in detail the steps that the Contractor proposes to take in order to minimize the impact of the event causing the delay.
- 2. Any delivery date or other date that is directly affected by an Excusable Delay will be postponed for a reasonable time that will not exceed the duration of the Excusable Delay.
- 3. However, if an Excusable Delay has continued for 30 days or more, the Contracting Authority may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the Excusable Delay. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.
- 4. Unless the Authorized User has caused the delay by failing to meet an obligation under the Contract, the Authorized User will not be responsible for any costs incurred by the Contractor or any of its subcontractors or agents as a result of an Excusable Delay.
- 5. If the Contract is terminated under this section, the Contracting Authority may require the Contractor to deliver to the Authorized User, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the Contract. The Authorized User will pay the Contractor:

- . the value, of all completed parts of the Work delivered to and accepted by the Authorized User, based on the Contract Price, including the proportionate part of the Contractor's profit or fee included in the Contract Price; and
- a. the Cost to the Contractor that the Authorized User considers reasonable in respect of anything else delivered to and accepted by the Authorized User.

The total amount paid by the Authorized User under the Contract to the date of termination and any amounts payable under this subsection must not exceed the Contract Price.

2015A 08 (2015-12-18) Inspection and Acceptance of the Work

All the Work is subject to inspection and acceptance by the Authorized User. Inspection and acceptance of the Work by the Authorized User do not relieve the Contractor of its responsibility for defects or other failures to meet the requirements of the Contract. The Authorized User will have the right to reject any work that is not in accordance with the requirements of the Contract and require its correction or replacement at the Contractor's expense.

2015A 09 (2015-12-18) Warranty

- 1. Despite inspection and acceptance of the Work by or on behalf of the Authorized User without restricting any provisions of the Contract or any condition, warranty or provision imposed by law, the Contractor, if requested by the Authorized User to do so, must replace, repair or correct, at its own option and expense any work that becomes defective or fails to conform to the requirements of the Contract, where applicable. The warranty period will be 12 months after delivery and acceptance of the Work or the length of the Contractor's or manufacturer's standard warranty period, whichever is longer.
- 2. The Authorized User must pay the transportation cost associated with returning the Work or any part of the Work to the Contractor's plant for replacement, repair or making good, and the Contractor must pay the transportation cost associated with forwarding the replacement or returning the Work or part of the Work when rectified to the delivery point specified in the Contract or to another location as directed by the Authorized User. If, in the opinion of the Authorized User, it is not expedient to remove the Work from its location, the Contractor must carry out any necessary repair or making good of the Work at that location and will be reimbursed its reasonable travel and living expenses.
- 3. The warranty period is automatically extended by the duration of any period or periods where the Work is unavailable for use or cannot be used because of a defect or non-conformance during the original warranty period. The warranty applies to any part of the Work replaced, repaired or corrected pursuant to subsection 1, for the greater of:
 - a. the warranty period remaining, including the extension, or
 - b. 90 days or such other period as may be specified for that purpose by agreement between the Parties.

2015A 10 (2015-12-18) Invoice Submission

- 1. Invoices must be submitted in the Contractor's name. The Contractor must submit invoices for each delivery or shipment; invoices must only apply to the Contract. Each invoice must indicate whether it covers partial or final delivery.
- 2. Invoices must show:

- a. the date, the name and address of the Authorized User, item or reference numbers, deliverable/description of the Work, contract number, Authorized User Reference Number (CRN), Procurement Business Number (PBN), and financial code(s);
- details of expenditures (such as item, quantity, unit of issue, unit price, fixed time labour rates and level of effort, subcontracts, as applicable) in accordance with the Basis of Payment, exclusive of Applicable Taxes;
- c. deduction for holdback, if applicable;
- d. the extension of the totals, if applicable; and
- e. if applicable, the method of shipment together with date, case numbers and part or reference numbers, shipment charges and any other additional charges.
- 3. Applicable Taxes must be specified on all invoices as a separate item along with corresponding registration numbers from the tax authorities. All items that are zero-rated, exempt or to which Applicable Taxes do not apply, must be identified as such on all invoices.
- 4. By submitting an invoice, the Contractor certifies that the invoice is consistent with the Work delivered and is in accordance with the Contract.

2015A 11 (2015-12-18) Taxes

- 1. Federal government departments and agencies are required to pay Applicable Taxes.
- Applicable Taxes will be paid by Canada as provided in the Invoice Submission section. It is the sole
 responsibility of the Contractor to charge Applicable Taxes at the correct rate in accordance with
 applicable legislation. The Contractor agrees to remit to appropriate tax authorities any amounts of
 Applicable Taxes paid or due.
- 3. The Contractor is not entitled to use Canada's exemptions from any tax, such as provincial sales taxes, unless otherwise specified by law. The Contractor must pay applicable provincial sales tax, ancillary taxes, and any commodity tax, on taxable goods or services used or consumed in the performance of the Contract (in accordance with applicable legislation), including for material incorporated into real property.
- 4. In those cases where Applicable Taxes, customs duties, and excise taxes are included in the Contract Price, the Contract Price will be adjusted to reflect any increase, or decrease, of Applicable Taxes, customs duties, and excise taxes that will have occurred between bid submission and contract award. However, there will be no adjustment for any change to increase the Contract Price if public notice of the change was given before bid submission date in sufficient detail to have permitted the Contractor to calculate the effect of the change.
- 5. Tax Withholding of 15 Percent Canada Revenue Agency

Pursuant to the <u>Income Tax Act</u>, 1985, c. 1 (5th Supp.) and the <u>Income Tax Regulations</u>, Canada must withhold 15 percent of the amount to be paid to the Contractor in respect of services provided in Canada if the Contractor is not a resident of Canada, unless the Contractor obtains a valid waiver from the <u>Canada Revenue Agency</u>.

The amount withheld will be held on account for the Contractor in respect to any tax liability which may be owed to Canada.

2015A 12 (2015-12-18) Transportation Costs

If transportation costs are payable by the Authorized User under the Contract and the Contractor makes the transportation arrangements, shipments must be made by the most direct and economical means consistent with normal shipping practice. The costs must be shown as a separate item on the invoice.

2015A 13 (2015-12-18) Transportation Carriers' Liability

The federal government's policy of underwriting its own risks precludes payment of insurance or valuation charges for transportation beyond the point at which ownership of goods passes to the federal government (determined by the FOB point or Incoterms). Where increased carrier liability is available without charge, the Contractor must obtain the increased liability for shipment.

2015A 14 (2015-12-18) Shipment Documentation

For the shipment of goods, the transportation bill of lading must accompany the original invoice, except for "collect" shipments (if and when stipulated), in which event it must accompany the shipment. In addition, a packing slip must accompany each shipment, showing item, quantity, part or reference numbers, description of the goods and contract number, including the CRN and PBN. If the goods have been inspected at the Contractor's plant, the signed inspection voucher must be attached to the packing slip normally enclosed in the packing note envelope.

2015A 15 (2015-12-18) Payment Period

- 1. The Authorized User's standard payment period is 30 days. The payment period is measured from the date an invoice in acceptable form and content is received in accordance with the Contract or the date the Work is delivered in acceptable condition as required in the Contract, whichever is later. A payment is considered overdue on the 31st day following that date and interest will be paid automatically in accordance with the section 16.
- 2. If the content of the invoice and its substantiating documentation are not in accordance with the Contract or the Work is not in acceptable condition, the Authorized User will notify the Contractor within 15 days of receipt. The 30-day payment period begins upon receipt of the revised invoice or the replacement or corrected Work. Failure by the Authorized User to notify the Contractor within 15 days will only result in the date specified in subsection 1 to apply for the sole purpose of calculating interest on overdue accounts.

2015A 16 (2015-12-18) Interest on Overdue Accounts

1. For the purpose of this section:

"Average Rate"

means the simple arithmetic mean of the Bank Rates in effect at 4:00 p.m. Eastern Time each day during the calendar month immediately before the calendar month in which payment is made;

"Bank Rate"

means the rate of interest established from time to time by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to members of the Canadian Payments Association:

"date of payment"

for a Federal Identified User means the date of the negotiable instrument drawn by the Receiver General for Canada to pay any amount under the Contract;

for a Provincial/Territorial Identified User means the date of the negotiable instrument drawn by the appropriate authorities of the province/territory to pay any amount under the Contract;

an amount becomes "overdue"

when it is unpaid on the first day following the day on which it is due and payable according to the Contract.

- 2. The Authorized User will pay to the Contractor simple interest at the Average Rate plus 3 percent per year on any amount that is overdue, from the date that amount becomes overdue until the day before the date of payment, inclusive. The Contractor is not required to provide notice to the Authorized User for interest to be payable.
- 3. The Authorized User will pay interest in accordance with this section only if the Authorized User is responsible for the delay in paying the Contractor. The Authorized User will not pay interest on overdue advance payments.

2015A 17 (2015-12-18) Audit

The amount claimed under the Contract is subject to an audit both before and after payment is made. The Contractor must keep proper accounts and records of the cost of performing the Work and keep all documents relating to such cost for six years after it receives the final payment under the Contract.

2015A 18 (2015-12-18) Compliance with Applicable Laws

- 1. The Contractor must comply with all laws applicable to the performance of the Contract. The Contractor must provide evidence of compliance with such laws to the Authorized User at such times as the Authorized User may reasonably request.
- 2. The Contractor must obtain and maintain at its own cost all permits, licenses, regulatory approvals and certificates required to perform the Work. If requested by the Contracting Authority, the Contractor must provide a copy of any required permit, license, regulatory approvals or certificate to the Authorized User.

2015A 19 (2015-12-18) Ownership

- 1. Unless provided otherwise in the Contract, the Work or any part of the Work belongs to the Authorized User after delivery and acceptance by or on behalf of the Authorized User.
- 2. However if any payment is made to the Contractor for or on account of any work, either by way of progress or milestone payments, that work paid for by the Authorized User belongs to the Authorized User upon such payment being made. This transfer of ownership does not constitute acceptance by the Authorized User of the Work or any part of the Work and does not relieve the Contractor of its obligation to perform the Work in accordance with the Contract.
- 3. Despite any transfer of ownership, the Contractor is responsible for any loss or damage to the Work or any part of the Work until it is delivered to the Authorized User in accordance with the Contract. Even after delivery, the Contractor remains responsible for any loss or damage to any part of the Work caused by the Contractor or any subcontractor.

4. Upon transfer of ownership to the Work or any part of the Work to the Authorized User, the Contractor must, if requested by the Authorized User, establish to the Authorized User's satisfaction that the title is free and clear of all claims, liens, attachments, charges or encumbrances. The Contractor must execute any conveyances and other instruments necessary to perfect the title that the Authorized User may require.

2015A 20 (2015-12-18) Authorized User's Property

The Contractor must take reasonable and proper care of all Authorized User's property while it is in its possession or subject to its control. The Contractor is responsible for any loss or damage resulting from its failure to do so other than loss or damage caused by ordinary wear and tear.

2015A 21 (2015-12-18) Amendment

To be effective, any amendment to the Contract must be done in writing by the Contracting Authority and the authorized representative of the Contractor.

2015A 22 (2015-12-18) Assignment

- 1. The Contractor must not assign the Contract without first obtaining the written consent of the Contracting Authority. Any assignment made without that consent is void and will have no effect. The assignment will be effective upon execution of an assignment agreement signed by the Parties and the assignee.
- 2. Assignment of the Contract does not relieve the Contractor from any obligation under the Contract and it does not impose any liability upon any Authorized User.

2015A 23 (2015-12-18) Default by the Contractor

- If the Contractor is in default in carrying out any of its obligations under the Contract, the Contracting Authority may, by giving written notice to the Contractor, terminate for default the Contract or part of the Contract. The termination will take effect immediately or at the expiration of a cure period specified in the notice, if the Contractor has not cured the default to the satisfaction of the Contracting Authority within that cure period.
- 2. If the Contractor becomes bankrupt or insolvent, makes an assignment for the benefit of creditors, or takes the benefit of any statute relating to bankrupt or insolvent debtors, or if a receiver is appointed under a debt instrument or a receiving order is made against the Contractor, or an order is made or a resolution passed for the winding-up of the Contractor, the Contracting Authority may, to the extent permitted by the laws of Canada or any other applicable provincial law, by giving written notice to the Contractor, immediately terminate for default the Contract or part of the Contract.
- 3. If the Authorized User gives notice under subsection 1 or 2, the Contractor will have no claim for further payment except as provided in this section. The Contractor will be liable to the Authorized User for all losses and damages suffered by the Authorized User because of the default or occurrence upon which the notice was based, including any increase in the cost incurred by the Authorized User in procuring the Work from another source. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.
- 4. Upon termination of the Contract under this section, the Contracting Authority may require the Contractor to deliver to the Authorized User, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work which have not been delivered and accepted before the termination and any materials, parts, plant, equipment or work-in-process which the Contractor has acquired or produced specifically in the fulfilment of the Contract.

5. Subject to the deduction of any claim that the Authorized User may have against the Contractor arising under the Contract or out of the termination, the Authorized User will pay the Contractor the value, determined on the basis of the Contract Price, including the proportionate part of the Contractor's profit or fee included in the Contract Price, of all completed parts of the Work and the Cost to the Contractor that the Contracting Authority considers reasonable in respect of all materials, parts, plant, equipment or work-in-process delivered to the Authorized User pursuant to a direction under subsection 4 and accepted by the Authorized User.

2015A 24 (2015-12-18) Termination for Convenience

- 1. At any time before the completion of the Work, the Contracting Authority may, by giving notice in writing to the Contractor, terminate for convenience the Contract or part of the Contract. Once such a notice of termination for convenience is given, the Contractor must comply with the requirements of the termination notice. If the Contract is terminated in part only, the Contractor must proceed to complete any part of the Work that is not affected by the termination notice. The termination will take effect immediately or, as the case may be, at the time specified in the termination notice.
- 2. If a termination notice is given pursuant to subsection 1, the Contractor will be entitled to be paid, for costs that have been reasonably and properly incurred to perform the Contract to the extent that the Contractor has not already been paid or reimbursed by the Authorized User. The Contractor will be paid:
 - a. on the basis of the Contract Price, for all completed work that is inspected and accepted in accordance with the Contract, whether completed before, or after the termination in accordance with the instructions contained in the termination notice:
 - b. the Cost to the Contractor plus a fair and reasonable profit for all work terminated by the termination notice before completion; and
 - c. all costs incidental to the termination of the Work incurred by the Contractor but not including the cost of severance payments or damages to employees whose services are no longer required, except wages that the Contractor is obligated by statute to pay.
- 3. The Authorized User may reduce the payment in respect of any part of the Work, if upon inspection, it does not meet the requirements of the Contract.
- 4. The total of the amounts, to which the Contractor is entitled to be paid under this section, together with any amounts paid, due or becoming due to the Contractor must not exceed the Contract Price. The Contractor will have no claim for damages, compensation, loss of profit, allowance arising out of any termination notice given by the Authorized User under this section except to the extent that this section expressly provides. The Contractor agrees to repay immediately to the Authorized User the portion of any advance payment that is unliquidated at the date of the termination.

2015A 25 (2015-12-18) Right of Set-off

Without restricting any right of set-off given by law, Canada may set-off against any amount payable to the Contractor under the Contract, any amount payable to Canada by the Contractor under the Contract or under any other current contract. Canada may, when making a payment pursuant to the Contract, deduct from the amount payable to the Contractor any such amount payable to Canada by the Contractor which, by virtue of the right of set-off, may be retained by Canada.

2015A 26 (2015-12-18) Conflict of Interest and Values and Ethics Codes for the Public Service

The Contractor acknowledges that individuals who are subject to the provisions of the <u>Conflict of Interest Act</u>, 2006, c. 9, s. 2, the Conflict of Interest Code for Members of the House of Commons, the Values and Ethics Code for the Public Service or all other codes of values and ethics applicable within specific organizations cannot derive any direct benefit resulting from the Contract.

2015A 27 (2015-12-18) Contingency Fees

The Contractor certifies that it has not, directly or indirectly, paid or agreed to pay and agrees that it will not, directly or indirectly, pay a contingency fee for the solicitation, negotiation or obtaining of the Contract to any person, other than an employee of the Contractor acting in the normal course of the employee's duties. In this section, "contingency fee" means any payment or other compensation that depends or is calculated based on a degree of success in soliciting, negotiating or obtaining the Contract and "person" includes any individual who is required to file a return with the registrar pursuant to section 5 of the <u>Lobbying Act</u>, 1985, c. 44 (4th Supplement).

2015A 28 (2015-12-18) International Sanctions

- 1. Persons in Canada, and Canadians outside of Canada, are bound by economic sanctions imposed by Canada. As a result, the Authorized User cannot accept delivery of goods or services that originate, either directly or indirectly, from the countries or persons subject to economic sanctions.
- 2. The Contractor must not supply to the Authorized User any goods or services which are subject to economic sanctions.
- 3. The Contractor must comply with changes to the regulations imposed during the period of the Contract. The Contractor must immediately advise the Authorized User if it is unable to perform the Work as a result of the imposition of economic sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services. If the Parties cannot agree on a work around plan, the Contract will be terminated for convenience in accordance with section 24.

2015A 29 (2016-04-04) Integrity Provisions - Contract

The *Ineligibility and Suspension Policy* (the "Policy") and all related Directives incorporated by reference into the bid solicitation on its closing date are incorporated into, and form a binding part of the Contract. The Contractor must comply with the provisions of the Policy and Directives, which can be found on Public Works and Government Services Canada's website at *Ineligibility and Suspension Policy*.

2015A 30 (2015-12-18) Entire Agreement

The Contract constitutes the entire and only agreement between the Parties and supersedes all previous negotiations, communications and other agreements, whether written or oral, unless they are incorporated by reference in the Contract. There are no terms, covenants, representations, statements or conditions binding on the Parties other than those contained in the Contract.

2015A 31 (2016-04-04) Code of Conduct for Procurement – contract

The Contractor agrees to comply with the <u>Code of Conduct for Procurement</u> and to be bound by its terms for the period of the Contract.
