Solicitation Amendment

Title: RISO – LUVW MILCOTS Repair/Maintenance

Solicitation Amendment No. **001**

This solicitation is hereby amended to provide the following questions and answers:

Q1. I had a question on the Annex B – Basis of Payment Schedule that forms part of the Request for a Standing Offer. Each schedule has an item number 2 that refers to “Material and replacement manufactured parts that will be at the Manufacturer’s published price list less ____% discount or at a markup of ____%” and I need clarification.

- a. **What does the published price list refer to and what the dollar amount quantity provided was calculated on. Normally the published price list from General Motors consists of two values for each part: 1) MSRP List Price – Manufacturer’s Selling Retail Price; or 2) Trade Price.**
- b. **I need clarification on what price list is being used in the Schedule as it will determine what the actual discount or markup percentages will be adjusted by.**

A1. a. The published price list refers to the manufacturer’s / dealer’s price on parts sold at the MSRP or the trade price. The dollar amount quantity was based on the amount of vehicles inspected and repaired last year at each location.

- b. The price list is the MSRP or trade price. It is up to the company placing the bid whether they want to use the MSRP price or the Trade price.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
