This Solicitation Amendment No. one (1) is raised to include the following addendum no. 1.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 1.

1. **SPECIFICATIONS**

1. Reference Section 07 52 00 - Modified Bituminous Membrane Roofing
 - .1 Reference Paragraph 2.7.4: Delete the wording "2440mm x 2440mm" and replace with "1200mm x 1200mm".

2. **DRAWINGS**

1. Reference Drawing A1 - New & Demo Roof Deck Plans
 - .1 Reference Detail 2/A1/A1:
At the location of the call-out reference bubble 5/A1/A1 there are 2 dashed lines. The south dashed line going through the bubble represents the roof overhang and as such won't show up in detail 5/A1/A1. The north dashed line represents a change of finish in the interior of the building Relief Area and has no bearing on the roof replacement. There is a solid line just south of the above noted south dashed line and a solid line at the west side of the south dashed line. Both solid lines are to be removed from the drawing as surplus lines.

3. **QUESTIONS AND ANSWERS**

Q1. In drawing A1 detail 2/A1/A1, in the relief area, there is a broken line going across that area that detail 5 doesn't cover, is it a concrete expansion joint? Is there roofing materials to be removed and replaced in that location as well?

A1. Refer to Item 2 of this addendum no. 1.

Q2. Also in section 07 52 00 page 6, paragraph 2.7.4, it states the sumps to be 2440mmx2440mm. However on drawing A1, detail 3/A1/A1 it shows a 1200mmx1200mm sump, what size should we be using?

A2. Refer to Item 1 of this addendum no. 1.
