## **SOLICITATION AMENDMENT 001**

This solicitation amendment is raised to address the following:

- Questions and Answers
- Revision to the Invitation to Tender
- Revision to the Attachments (Plans and Specifications)

### **Questions and Answers**

**Q1:** When will the specifications and drawings appear on the Tender Notice on [buyandsell.gc.ca/tenders](http://buyandsell.gc.ca/tenders)?

**A1:** The specifications and drawings are included in an attachment with the file name R.042523.006.zip. On the morning of Thursday 7 July 2016, this attachment appeared on the Tender Notice for download. Even though the Tender Notice and solicitation documents were posted to [buyandsell.gc.ca/tenders](http://buyandsell.gc.ca/tenders) on Monday 4 July 2016, this amendment serves to extend the solicitation closing date from Wednesday 20 July 2016 to Friday 22 July 2016. This will allow interested contractors 15 days to prepare a bid from the time the specifications and drawings became available for download.

**Q2:** Do you know why there is a Goods and Services Identification Number (GSIN) for aircraft structural for this solicitation?

**A2:** The GSIN *N1560E: Window Panel, Aircraft* was entered in error. This amendment serves to correct the GSIN to *5159B Other Special Trade Construction Work*.
