This amendment 009 is raised to answer the following questions:

- Q30** With regards to M1 for both work streams, the corporate qualifications require that:  
The bidder must demonstrate Enterprise Resource Planning (ERP) contract revenues of \$2M in SAP professional services each year for the past three (3) years from bid closing date. All contract revenues must be substantiated by the Bidder. Bidder is requested to provide the following information including the client contact/authority who can verify services delivered and validate the revenues stated. Please confirm what the period of reference is for three years.
- A30** Under Attachment 4.1 and 4.3, Corporate Bid Evaluation Criteria for Work Streams 1 and 2 respectively, sub-section 1.1 – Corporate mandatory requirements, the period of reference is for each year in the past 3 years. In other words:  
Year 1: July 12, 2013 to July 12, 2014  
Year 2: July 12, 2014 to July 12, 2015  
Year 3: July 12, 2015 to July 12, 2016
- Q31** With regards to M3 for both work streams, the corporate qualifications require, in 1) i) the supply of a minimum of 8 full-time resources.
- a)** Are 8 resources required on each contract/project or within the combination of both contracts/projects?
  - b)** The criteria requires full-time resources. What is considered full-time, 12 months/5 days a week within the 2 year time period? Please clarify.
  - c)** Can the start date of the project/contract be before the 3 year period as long as the project/contract end date falls within the 3 year time period?
  - d)** Does the client manager have to have worked for the bidding firm? Do the references have to be from the bidding firm?
- A31** At Attachment 4.1 and 4.3, Corporate Bid Evaluation Criteria for Work Streams 1 and 2 respectively, under mandatory criterion M3,
- a)** the 2 contracts and/or projects are to include a combined total of 8 full-time resources minimum; and not 8 full-time resources for each contract and/or project. Please also refer to **A5** and **QA24**.
  - b)** the criterion evaluates the bidding firm's internal resourcing capabilities. The "full-time" aspect is evaluated under M2 under these same attachments.
  - c)** Any contract/project ending within the last three years from bid closing date will be acceptable.
  - d)** Yes, the client manager has to have worked for the bidding firm and the references have to be from the bidding firm.
