## **QUESTIONS & ANSWERS #1**

**THIS DOCUMENT SEEKS TO RESPOND TO THE QUESTIONS ASKED BY POTENTIAL BIDDERS.**

### **Q #1)**

Call-out Rate: Is the rate for the first hour worked on each work locations? On another note, is the rate equivalent to the construction site mobilization rate?

### **A #1)**

*As per the definition on page 27, of the “Request for Supply Arrangements”:*

**Call-Out Rate:** is an all inclusive rate which includes but, is not limited to, transportation and/or travelling expenses for equipment and personnel (to and from work locations) and first hour of on-site productive labour during regular working hours from 7:30 a.m. to 5:00 p.m. local time from Monday to Friday, excluding Statutory Holidays. Call-Out Rates will not apply if the crew is already on-site for other work.

*As indicated in the definition, this rate is for the first hour worked on each of the construction site, when the construction team is not already on site for other work. Your price thus has to include all the expenses for the first hour worked.*

*This rate corresponds to the transportation and/or travelling expenses, as well as the first hour of on-site productive labour of the resource. Therefore, this rate should be the highest cost of mobilization of all your specialized professionals on the site.*

*For major projects with fixed price, bidders will have to submit the required documents of the invitation to tender, including a specific pricing table.*

### **Q #2)**

Do we have to indicate an hourly rate of construction, governed by the CCQ such as a foreman, or if the wanted rate is a rate for management/administration like a project manager off construction site?

### **A #2)**

*As per the definition on page 27, of the “Request for Supply Arrangements”:*

**“Hourly Labour Rate:** is an all inclusive rate for the provision of on-site productive labour during regular working hours from 7:30 a.m. to 5:00 p.m. local time from Monday to Friday, excluding Statutory Holidays. The Location of Work list indicates the most often used locations and is not an exclusive list. Additional locations may be added at the request of Federal Government Departments or Agencies.

Contractors wishing to provide services to an area where a Federal Government Department or Agency is located, but is not showing on the list below, may add the location(s).”

*You have to indicate the hourly rate of the most expensive professional, including the management staff such as the project manager.*

### **Q #3)**

If our proposal has been sent already, if we want to make a change to the Annex “D” tables, can we fax or email the amendment?

### **A #3)**

*You can mail it or **fax it to: 1-877-558-2349.***

*We are not allowed to accept the information by email at this time.*
