This Solicitation Amendment No. two (2) is raised to include the following addendum no. 2.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

1. QUESTIONS AND RESPONSES

Question 1

On the E1 dwg, Note 2 – it states that the existing conduit is 27mm. From our visit yesterday, this conduit seems to be approximately 20mm. Will this contract require the existing conduit to be replaced with a 27mm conduit, or is the existing to remain?

Response 1

In response to item #1 and #3, these questions appear to be the same. The existing conduit will need to be changed to 27mm in order to properly fit the required wiring.

Question 2

There seems to be no keylock on the existing gate #2. Is it required in the new gate?

Response 2

In response to Question #2, my photos indicate that there is a keylock on the gate and it is my understanding that a keylock is required on the new gate.

Question 3

Drawing E1 note 2 refers to install new wiring in existing 1" conduit. As per site visit there is no existing 1" conduit. Please confirm requirements.

Response 3

In response to item #1 and #3, these questions appear to be the same. The existing conduit will need to be changed to 27mm in order to properly fit the required wiring.

2. OPTIONAL SITE VISIT ATTENDANCE SHEET - attached

3. PHOTOS TAKEN AT OPTIONAL SITE VISIT - attached
