B. QUESTIONS AND ANSWERS

- | | |
|-------------------|---|
| QUESTION 1 | Clarification: For Requirement 7.1.2, we request that professional development training be extended to 15 years, given that the most qualified trade experts work on or “graduate” to advising on long-term international development trade and investment projects that typically last 5 or more years after several years of research or delivering technical assistance on trade law, trade agreements, foreign investment regulations, etc. |
| ANSWER 1 | DFATD agrees to extend the duration of professional development training stipulated in 7.1.2. Please see Part A, Amendment to the RFP, for this change. |
| QUESTION 2 | Extension: We would like to request a two week extension to the closing date. |
| ANSWER 2 | While a two week extension is not possible, DFATD agrees to extend the closing date to August 11, 2016. Please see Part A, Amendment to the RFP, for this change. |

C. All other terms and conditions remain unchanged.
