AMENDMENT 003

This amendment is being raised to respond to questions submitted in response to solicitation 5P420-16-5138/A:

A. QUESTIONS AND ANSWERS

Q1. There are several areas that will require the contractor to work directly in water to complete the Work. What are the Department's expectations with respect to such work? Will mechanical equipment be allowed to enter the water on a special permission basis (ie an approved EPP)?

A1. Yes, working in water or in close proximity of water will be required to undertake the Work subject to the approval of the Contractor's EPP.

Q2. Will the old fence be left intact in the submerged areas?

A2. The old fence will have to be removed in its entirety including sections located in submerged areas.

Q3. Is dewatering permitted?

A3. Dewatering is not be permitted.

All other terms and conditions remain the same.
