REQUIREMENT

The Department of National Defence requires a contract for the supply and delivery of Fitness Equipment to Canadian Forces Base Suffield, located at Ralston, Alberta. All equipment is requested to be delivered for October 1, 2016.

COMPLIANCE MATRIX – MINIMUM MANDATORY PERFORMANCE SPECIFICATIONS

Proposals must meet the mandatory requirements outlined in the table below in order to be considered.

Instructions to Bidders:

1. Bidders must indicate that their proposal is compliant by filling out the “COMPLIANT (YES/NO)” column in the table below. Failure to complete this column at time of bid submission will result in your proposal being deemed non-responsive, and given no further consideration in the evaluation process.
2. The complete specifications and/or descriptive literature should be submitted with the proposal. If the complete specifications and/or literature is not submitted as requested or should further clarification be required, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within the time frame will render the bid non-responsive.
3. Demonstration of compliance to the mandatory performance specifications can be provided through either or both of the following means:
 - i) Provision of a manufacturer’s product brochure(s) or technical data sheet(s) with reference made in the table below as to where the supporting information can be found in the brochure/specification sheet.
 - ii) Should a brochure or technical data sheet not be available or not outline all of the requirements a bidder may provide their own written explanation of how the requirement is met. If there is insufficient space in the table to do this, assign a SIR # (Supplementary Information Reference) and provide the appropriate details on a separate page in your proposal
4. Canada will not evaluate information such as references to Web site addresses where additional information can be found.
