Amendment No. 002

This amendment is being raised to provide responses to Requests for Clarification.

- Q1. We would like to have access to all existing documents as mentioned in the PR 6 Existing Documentation of the RFP.

Documents on the Buyandsell site (Appendix) are essentially photos and drawings and it is quite difficult to correspond and clearly identify each of the documents mentioned in PR 6.

- A1. Please see PR_6_Existing_Documentation.zip file on the tender page for documents identified under Project Requirements (PA) (sic) 6 Existing Documentation.

Please note that Existing Documentation is available in English only and is being made available as reference material only for the purposes of providing background information.

All other terms and conditions of the RFP remain the same.
