This amendment (2) seeks to delete amendment #1 in its entirety as well as answer vendors' questions following the mandatory site visit.

Q1- Will you be requiring the solution to lock?

A1- No

Q2- Is there a loading dock and do we need a lift?

A2- There is a ground loading dock so yes, you will need a lift.

Q3- What type of finish would you like on the plywood floor?

A3- A painted finish

Q4- 3.5 indicates that the ramp is to be of the same material as the floor assembly, thus made out of plywood. Would you prefer a ramp made of metal?

A4- We would accept a metal ramp but we will leave it up to the vendor to choose plywood or metal.

Q5- With the type of application and the height of the shelving, back panels would be recommended for safety. Do you require back panels on every section?

A5- Yes

Q6- Can you confirm the number of pairs of museum quality barrel supports and base supports required?

A6- 100 pairs of barrel and base support

Q7- How many pistol supports are required?

A7- We have a total of 200 Pistols and revolvers

Q9- Please confirm that the barrel and base supports need to be coated to protect and preserve that antique weapons.

A8- Confirmed.

Q9- Do you require any drawers?

A9- Yes.
