This amendment (3) seeks to answer vendors' questions:

Q10- In amendment #2, it indicates that drawers are required. Can you tell us how many and the depth, width, and height of each drawer. Also, do you need to have them be lockable?

A10- Yes, 1 double faces fixed carriage 30"Dx12' L x 48" (18 lockable drawers total)

Q11-) In order to accommodate 100 pairs of barrel supports and base supports the number of carriages would need to be increased from what is indicated in specification Annex A, Please confirm the total number of carriages, and width of carriages.

A11- 5x movable carriage of 48"x 30 d each (3x48x30)

1 single faced fixed platform 48"x 24 d

1 double faced fixed 48"x30 d

Q12- 3.6 Shelving and uprights: All shelving sections are to be premium quality - four posts with closed uprights, 48" wide and 12" & 18" deep shelves as specified in the drawings. Could you refer us to the aforementioned drawings? Can you specify were the 12 & 18 inch shelves will be going?

A12- Please note this is a typo and there is no official drawing for this request, this should have been remove prior of being sent public.

Q13- How many gun supports per 48 inch span?

A13- It depends on the size of a vendor's supports. We will leave this up to the vendor to maximize the amount of gun supports.

Q14- I assume 6 drawers total to be placed on the 1 double fixed carriage? So 2 drawers per 48 inch section? Drawers as specified are 30 inch deep but how high are they?

A14- 6 drawers of 48" x 30" deep x 12" L

Q15- The uprights are 109 inches so is there to be any shelving on top of the drawers, if yes what type and how much?

A15- No Shelving on top of the drawers. Keep this space for weapons supports.
