

Partie 1 General

1.1 ADMINISTRATIVE

- .1 Final inspection and declaration procedures.
 - .1 Contractor's Inspection: The Contractor shall conduct an inspection of Work, identify deficiencies and defects; repair as required in contract documents.
 - .1 Notify Departmental Representative in writing of satisfactory completion of the Contractor's Inspection and that corrections have been made.
 - .2 Request a Departmental Representative inspection.
 - .2 Departmental Representative's inspection.
 - .1 Departmental Representative and the Contractor will perform an inspection of the Work to identify defects or deficiencies.
 - .2 The Contractor shall correct Work accordingly.
 - .3 Completion: submit written certificate stating that the following have been performed.
 - .1 Work has been completed, inspected and comply with Contract documents.
 - .2 Defects identified during inspection have been corrected and deficiencies have been completed.
 - .3 Required certificates, documents and reports have been submitted.
 - .4 Work is complete and ready for Final Inspection.
 - .4 Final Inspection
 - .1 When items noted above are completed, request final inspection of Work by Departmental Representative which will be conducted jointly by both Departmental Representative and Contractor.
 - .2 If Work is deemed incomplete by Departmental Representative, complete outstanding items and request re-inspection.
 - .5 Statement of substantial performance: when the Departmental Representative considers that the defects and inconsistencies have been corrected and that contract requirements seem largely satisfied, apply for the release of a certificate of substantial completion of the Work.
 - .6 At that time provide Departmental Representative with plans (as-built DWG and annotated hard copies), operating and maintenance manuals and the warranty management manual.
 - .7 Beginning of the warranty period and of the right of retention period: the date of acceptance by the Owner of the statement of substantial completion will be the date of commencement of the period of retention and warranty period, unless otherwise specified by the regulations governing the right of retention in force at the place of work.
 - .8 Statement of final completion
 - .1 When the Departmental Representative considers that the defects and inconsistencies have been corrected and that contract requirements are

fully met, apply for the production of a certificate of final completion of the Work.

.2 The request for production of a certificate of final completion must be accompanied by all the certificates, reports, analyzes and other required documents.

.9 Payment of the holdback: After the issuance of the certificate of substantial performance of the work, submit an application for payment of the holdback amount as provided in the contract documents.
