Amendment 001 is raised to answer the following questions:

Question 1)

On Page 9 of 22, PART 3, Section IV: Additional Information, 1.Delivery, multiple buildings are indicated (Building 8, 9, 6, 7 and East Guard House). However, on Page 21 of 22, PART 6, 6.13 Shipping Instructions – Delivery at Destination, it states goods must be shipped to: PWGSC / TPSGC / Carling Campus, RPT 8 – Lab 2.2, 3500 Carling Avenue, Ottawa Ontario K2H 8E9 Ottawa, Ontario. Can you please clarify if goods are to be delivered one location or multiple locations?

Answer 1)

All fridges must be delivered to 3500 Carling Ave, Ottawa, ON K2H 8E9 according to the requested delivery dates. The fridges for buildings 8 & 9 must be delivered to the loading dock shared between Building 8 and 9, the fridges for buildings 6 & 7 must be delivered to the loading dock shared between Building 6 and 7, the fridges for the East and West Guardhouses must be delivered directly to the guardhouses. A map of the campus will be provided upon contract award for coordination of deliveries.

Question 2)

On Page 20 of 22, PART 6, 6.12 Preparation for Delivery, it states, "The fridge must be serviced, adjusted and delivered in condition for immediate use." This would suggest you require the goods to be uncrated and set-in-place. Is that correct?

Answer 2)

All fridges must be delivered to the appropriate loading dock, uncrated and assembled then left in place in the loading dock in good condition. All refuse must be collected and removed from the site, except for the packaging inside the fridge protecting the drawers and shelves from damage. A third party will relocate the fridges from the loading dock and install them in the kitchenettes on the occupied floors of the buildings.

All other terms and conditions remain unchanged.
