This amendment #001 is raised to answer questions that have been received and incorporate the following information into solicitation W0168E-16FS03/A

Section One – Questions and Answers

Q: Section 4.2.1 - Basis of Selection. Does this mean that we need to submit our Bid per category together with SOA? I hope the second paragraph of this section does not mean that we can only get one category.

A: Bidders wishing to bid on multiple categories may do so as part of one bid submission. Bidders are not required to submit a separate bid package for each category they wish to be considered for.

Individual bidders may be awarded a Standing Offer for more than one category. Bidders should interpret the second paragraph to mean that if an Offeror is being recommended for the issuance of a Standing Offer for more than one category then those categories will be combined into one Standing Offer upon award to that bidder.

Section Two - Incorporations

Annex "B" Basis of Payment working document (food list) Cheese and Dairy category:
-Item # 50 (Margarine, bulk pail): Delete estimated usage of 0, replace with 16.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
