Prepared by :

Claude Plourde, Eng.
(Electrical)

This addendum becomes part of the tender documents as originally specified. Its content prevails over tender documents issued to date.

All specifications issued with this **ADDENDUM NO. 1** shall be considered part of the bidding documents. Modifications to sections of the tender documents are listed below and included hereafter.

1. ELECTRICAL

1.1 Corrections and/or Clarifications to the Drawings

- **Drawing Q_161Q623-E006 (Issued)**
 - Addition of control wiring.

1.2 List of Sections (Issued)

On each revised page of a given section, the revisions connected to present addendum are identified by a revision number located at the bottom of the page. The revision number appears inside a triangle to indicate a partial revision, whereas it is located next to the section title if an entire page was added or revised in the scope of the addendum.

<u>Section No.</u>	<u>Page Number Revised</u>
00 01 10.01	1

1.3 Drawings Issued

On each revised drawing, the revisions related to the present addendum are identified in the title box by the revision number indicated after the drawing number. The revision number appears inside a triangle close to the revised area inside a cloud, or close to the drawing title when the drawing has been added or completely revised as part of the addendum.
